WHY TOWN & COUNTRY?

As market leaders with over 60 years of experience, Town & Country demonstrate an attention to detail that is matched by few others, if any, in the gardening industry. We are committed to driving growth through innovation, product quality and merchandising expertise.

PRODUCT QUALITY

We refuse to compromise on quality - our aim is never to compromise the consumer perception of value.

COMFORT AND FIT

Attention and detail is given to manufacturing processes and quality of materials, enabling us to surpass our customers expectations of comfort and fit.

GLOVE SIZE GUIDE

To find your glove size, measure the diameter of your hand in inches, below your 4 fingers, excluding the thumb. Find further details on how to measure your glove size on our website at townandco.com.

FLEXI-RIGGERS

Plush, durable work gloves ensuring protection and comfort when tackling heavy-duty tasks around the garden. The Spandex back is breathable and the leather offers excellent protection and longevity.

Available in three sizes, specific to each contemporary colour.

Small Pink - TGL125S - 6 per pack

Medium Green - TGL125M - 6 per pack

Large Grey - TGL452L - 6 per pack

RIGGER-LITE

Durable work gloves offering protection and comfort when tackling intensive tasks around the garden. The supple leather palm & fingers ensure excellent protection and the mesh back is breathable for added comfort.

Small - TGL128S - 6 per pack

Medium - TGL128M - 6 per pack

ULTIMAX

An innovative multi-feature glove designed to offer an extremely close fit, unequalled dexterity and exceptional durability. Ultimax gloves are unbeatable for carrying out heavy duty tasks in maximum comfort.

The palm of this glove is made from strong but supple synthetic leather and features textured palm pads for improved grip, added protection and extra durability. The back of the glove is stretch elastane for optimum comfort and fit with a neoprene knuckle 'shock absorber'. Touch-sensitive fingertips allow use with smart phones.

ANTI-FROST COLD FRAME HEATER

An ideal cost-efficient, universal heater for use in garden cold frames and small garden structures of up to 2sqm to protect against frost. Helps provide the right environment for seeding and propagation. Can be used for isolated and localised heat in other garden structures.

TCG8062
1 per pack

WEED WAND

This Weed Wand instantly burns weeds and destroys the internal cell structure so they die and disappear for good. No need for toxic chemicals or hours of back breaking weeding, just kill the weeds with intense heat.

TCG8066
1 per pack

Does not come with Gas.
Gas available separately.

SINGLE BURNER GREENHOUSE HEATER

Ideal for use in a small greenhouse of up to 3sqm (4ft x 6ft) or as an anti-frost heater in a larger structure. Producing a dependable heat that is distributed across the green house, this single burner can burn for up to 80 hours, keeping the cold at bay and helping to protect plants.

TCG8060
1 per pack

5 litre
capacity tank

TWIN BURNER GREENHOUSE HEATER

5 litre
capacity tank

A twin burner paraffin heater emitting 600 Watt of heat and able to burn for up to 40 hours to keep the cold and frost from damaging plants.

Ideal for use in a greenhouse of up to 5sqm (8ft x 6ft) or as an anti-frost heater in a larger structure.

TCG8061
1 per pack

STEEL GARDEN SIEVE

These powder coated sieves are durable, rust resistant available in three sizes for use in the garden and potting shed. Remove rocks and stones quickly and easily to prepare compost and soil into a fine tilth, ready for potting out or use around the garden

1/2" Mesh - TCG8065 - 1 per pack

3/8" Mesh - TCG8064 - 1 per pack

1/4" Mesh - TCG8063 - 1 per pack

Mesh Size = 1/2"

Mesh Size = 3/8"

Mesh Size = 1/4"

Robust, all steel construction

Powder coated for durability

Available in 3 sizes

2-IN-1 RUBBER BROOM

This versatile and 2-in-1 broom can be used inside and out and has a choice of rubber bristles for dirt and pet hair or a squeegee for cleaning liquid spills or flood water. Works on carpets, tiles and hard floors inside and out.

TCG8251
12 per pack

3-IN-1 WINDOW WASHER

A 3-in-1 window cleaner with a highly absorbent microfibre cleaning cloth, rubber squeegee and the choice between telescopic and hand held use. The microfibre has anti-bacterial properties and the full width squeegee removes water for a streak free shine.

TCG8250
12 per pack
