DISCOVER OUR *Luxury garden range*

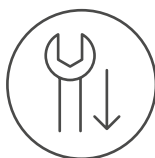

Welcome to Patterson and Rothwell's garden range.

Discover our comprehensive range of planters available in a variety of different designs, styles and colours. All our pots are made from recycled Polypropylene and are proudly manufactured in the UK.

Influenced by today's consumers we have developed a range of stylish planters ready to enhance any garden. All of our pots are weather-resistant lightweight and are extremely durable. All our pots feature markings for drainage holes that can be drilled when required, enabling you to drain out excess water and prevent over watering.
