S&S Garden Designs
T: 0330 175 5765

Eliminates stains
PM150

Allows soil to drain, preventing
waterlogging

Suitable for 160-200mm diameter
base pots

pot-mate.co.uk

Pot-mate 150mm

Covers pots from 160mm to 200mm

The Pot-Mate™ allows drainage and also protects your patio or wooden decking from water or soil staining by discreetly raising your flower pots and plant pots off the ground.

- Invisible in use – your pots and plants take centre stage
- Stable, light and very strong
- Designed & made in Britain
- 100% recycled plastic
