WHY CHOOSE TP?

60 Years of Premium Outdoor Toys

TP Toys started with a simple hula hoop in 1959. Over 60 years later, TP continues to drive innovation in outdoor play, creating award winning products, year after year.

Now part of the Mookie family, the home of Swingball, the TP range includes trampolines, climbing frames, swing sets, playhouses, slides and much more.

Designed in the UK by our in-house product development team, we are the market leaders in outdoor play. Always ahead of the curve on future trends and at the forefront of new, exciting toys that are loved by parents and children alike.

We care about our planet. Our wooden play equipment is manufactured using FSC® certified wood from sustainable sources. All materials used in TP products are carefully selected for their unrivalled quality and durability.

For innovative products, designed to deliver exceptional play value and excellent product quality, choose TP.

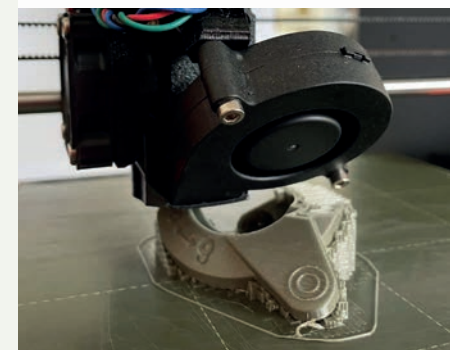

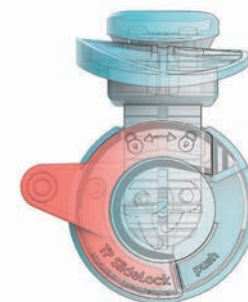

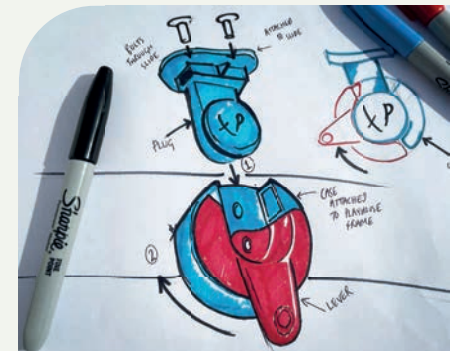

KIND TO OUR PLANET

TP is here for the long term and we want to make sure our planet is too.

That's why TP play equipment is made from FSC® certified wood. Look for the FSC® logo next to our wood products in this catalogue. It tells you the product is made with wood from forests that will be alive for generations to come. Also be assured that our timber is treated with child friendly preservatives which both protect the timber and respect the environment.

MARKET RESEARCH

We listen to our customers

Our product development is shaped through in-depth research to ensure that our decisions are based on insight from our target market. This ensures that we only launch toys we know parents and children will love, giving our retailers the peace of mind that the product will sell.

BETTER BY DESIGN

We innovate. We bring new ideas to the market that are both exciting and unique. Our in-house UK design team are based in the beautiful Worcestershire countryside. At this facility we have invested in the latest technology allowing us to prototype and perfect our unique designs to ensure the quality and safety of every TP product.

TESTED FOR SAFETY

All our products are safety tested to comply with the relevant European Safety Standards (EN71 Pat 1,2,3, 8 and 14) as well as the REACH chemical directive

AWARD WINNING PRODUCTS

MARKETING SUPPORT

Here to help you

We want to help you shout about our products. The way people shop has changed a lot in the last 60 years, but whether you're selling our products online or instore, we can help. Our marketing team can work with you to develop a bespoke strategy to help your customers choose TP. From beautiful online assets to eye-catching POS for instore execution, we can provide expert help to drive sales.

REVIEWS

Trust in TP

Our products are loved by our customers and always receive outstanding reviews, referencing their high quality, value for money and excellent play value.

Nicky Foster

TP Forest Cabin Wooden Playhouse

Lovely playhouse, looks great when painted and built, perfect size for a smaller garden.

Tori

TP Hip Hop 10ft Trampoline

We're pretty useless when it comes to DIY but this trampoline was well within our capabilities. It's sturdy, well constructed and looks good. My daughters are 10 and 6 and they absolutely love it! It's even strong enough for me and it's definitely got good bounce. The entrance was the selling point for me as there's no faffing around with a zip. Really pleased with our purchase.

Michael Murray

TP Himalayan Wooden Swing Set

This is a very good quality garden swing set. All metal components are very heavy duty. All bolts and fixings are of good quality. All woodwork is a high quality. This set is very easy to assemble. My grandchildren absolutely love it. All packaging is very good quality and all arrived together.

WHAT MARKETING SUPPORT WE CAN OFFER YOU...

- Aspirational Images
- Inspiring Video Content
- Investment in Brand Awareness
- Social Media Support
- Asset Creation (Banners/Gifs/Online Content/Catalogue support)
- POS
- Retailer integration with our marketing strategy
- Competition partnership
- Instore opportunities

CUSTOMER SERVICE

Here to help your customers

UK based customer services team

TP is supported by a knowledgeable UK based customer service team. Your customers can contact them by telephone or email.

How to assemble and what to buy

TP has sold outdoor play equipment for 60 years. If your customers want advice on the best outdoor toys to suit their children and their garden size, talk to TP. We spend a lot of time making sure our detailed instructions are clear and easy to understand but, if extra advice is needed, we are here to help. Every TP product is test built by our team, so they really do know all about how a product goes together.

All you need to know

We can provide you with all the information you need to sell TP products. From build dimensions, pack sizes, age recommendations and user weights.

Buy with confidence

TP make quality products that we are confident will delight our customers. We back them with comprehensive guarantees which are clearly detailed in this catalogue. Buy TP with confidence!

Need spares?

We hold spares in stock for most TP products. Visit tpspares.com or contact our specialist spares provider on 01609 881911.

COMPACT

Big ideas for small gardens

Our new Compact Range is the perfect solution for parents who are limited on outdoor space

CASTLEWOOD

ABOUT CASTLEWOOD

- The beautiful hexagonal design of the TP Castlewood Tower fits perfectly in most gardens
- The six sided shape provides lots of entry and exit points for great play value and fun activity
- The Castlewood Tower is supplied complete with step ladder and integral climbing wall leading to a spacious play platform
- The shady area under the platform has bench seats, so is an ideal sandpit
- The fireman's pole makes for fun, speedy exits
- The Castlewood Tower is made from kiln dried, pressure treated wood. A water- based stain can be applied to the Castlewood each year for aesthetic reasons, but it is not necessary to apply a surface stain to maintain Castlewood's excellent rot resistant properties and its performance guarantee
- A slide is required for safety reasons and is an additional purchase. Choose either a 1.8m Wavy Slide or the 2.5m CrazyWavy Slide for more adventurous sliders
- Guarantee: 5 years against wood rot causing failure, 1 year all parts

KINGSWOOD

ABOUT KINGSWOOD

- The TP Kingswood Tower is big on footprint and even bigger on fun
- Simply the biggest and best tower in the TP range
- Features 2 very spacious platforms and a fun look out
- To access the platforms there is a choice of an internal ladder or challenging external climbing wall
- The integral sandpit is nicely shaded so perfect for summer play
- The Kingswood Tower is easier to build - all TP wood is pre-drilled to make assembly far easier
- A water-based stain can be applied to the Kingswood each year for aesthetic reasons, but it is not necessary to apply a surface stain to maintain its excellent rot resistant properties and its performance guarantee
- The Kingswood Tower must be used with a 2.5m CrazyWavy slide, which is available to purchase separately
- Guarantee: 5 years against wood rot causing failure, 1 year all parts

KINGSWOOD

ABOUT KINGSWOOD SWINGS

- Constructed using our largest timber top bar profile, no additional joints.
- All timber is pressure treated for maximum longevity.
- Constructed in Square wood planned timber which not only looks beautiful but is less susceptible to the natural cracking found on roundwood swing frames.
- Kingswood swing frames are compatible with ALL TP swing accessories.

GENIUS ROUND TRAMPOLINES

TP211P/212P/213P

- TP's top quality round trampoline has an extra touch of genius - a stylish blue colourway and black paint finish
- Features IGLOO door entry. This unique patent protect design provides a super safe bounce back system to keep jumpers safely on the trampoline and a fun crawl through, zip free tunnel
- Super safe SurroundSafe enclosure ensures the jumper cannot touch the springs
- Frame rail protected by padding to protect users from side impact
- These trampolines have high single user weights, but for safety reasons only allow one user at a time
- Trampoline Ladder, cover, and integral shoe tidy included
- Guarantee: 10-year guarantee against rust causing failure on the steel frame. All parts 1 year including enclosure

Age: 6 years+

INFINITY ROUND TRAMPOLINES

TP420/421/422

- Available in 10, 12 and 14ft sizes
 - Extra heavy duty galvanised and powder coated steel frame with top quality springs
 - Features IGLOO door entry. This unique patent protected design provides a super safe closure system that keeps jumpers safely on the trampoline. The fun crawl through zip free tunnel is loved by kids.
 - The ingenious YoYo enclosure means putting the trampoline enclosure up and taking it down is quick and easy for just one adult.
 - The top specification frame pads are thickly padded and covered in heavy duty PVC
 - Soft but super strong nylon enclosure mesh has excellent visibility and UV resistance. It is also less prone to creasing
 - 'Intelligent' adjustable feet provide stability on uneven ground.
 - The Infinity Round Trampoline has high single user weights, but for safety reasons please only allow one user at a time.
 - Complies with the European safety standard for trampolines (EN71 Part 14)
 - For domestic use only
- Age: 6 years+

“

OLIVIA STREET

BRITISH TRAMPOLINING CHAMPION

"Had a great time bouncing on the TP Infinity Trampoline, as garden trampolines go this is definitely the best."

”

INFINITY OCTAGONAL TRAMPOLINES

TP405/406

- Available in 10 and 12ft sizes
 - An innovative trampoline with superior bounce performance and outstanding safety features. The Octagonal frame delivers a more predictable vertical bounce than a standard circular frame.
 - Extra heavy duty galvanised and powder coated steel frame with top quality springs
 - Features IGLOO door entry. This unique patent protected design provides a super safe closure system that keeps jumpers safely on the trampoline. The fun crawl through, zip free tunnel is loved by kids
 - The ingenious YoYo enclosure means putting the trampoline enclosure up and taking it down is quick and easy for just one adult
 - The top specification frame pads are thickly padded and covered in heavy duty PVC
 - Soft but super strong nylon enclosure mesh has excellent visibility and UV resistance. It is also less prone to creasing
 - 'Intelligent' adjustable feet provide stability on uneven ground.
 - The Infinity Octagonal Trampoline has high single user weights, but for safety reasons please only allow one user at a time
 - Complies with the European safety standard for trampolines (EN71 Part 14)
 - For domestic use only
- Age: 6 years+

INFINITY RECTANGULAR TRAMPOLINES

TP430/431

- Available in 8 x 12ft & 10 x 14ft sizes
- An innovative trampoline with superior bounce performance and outstanding safety features. The Octagonal frame delivers a more predictable vertical bounce than a standard circular frame.

INFINITY LEAP TRAMPOLINE

TP499

- The world's first 2 level trampoline. A top specification trampoline which is built to last
- A world first for trampolines – two horizontal jump zones at different levels linked by a bungee sprung bounce slope for extra fun and challenge
- Exceptional bounce performance from a unique dual suspension system. Coiled metal springs on the horizontal plane work in unison with a bungee spring system to ensure exceptional lift off from the bed for the jumper
- Top specification springs: 8.5 inches long (214mm) for the best bounce performance
- Superb PVC Pads enclose 30mm /20mm foam inners
- High quality soft feel 180gsm Polyester enclosure. Ultra-visibility, inside and out
- Includes YOYO - the easy put up, take down and fold away enclosure that just one adult can manage. It really does take just seconds to elevate and take down the YOYO enclosure!
- With safety in mind, the TP Infinity Leap Trampoline features a zip free entry through the IGLOO tunnel door and a jump safe design
- For domestic use only

Age: 6 years+

Dims: 450 x 290 x 313cm (H)
