

Outdoor Furniture and Storage Collection  
**2023**

# Introducing **HEX** Living

Since bursting onto the outdoor storage and furniture scene in **February 2022**, our **HEX Living family** has designed and produced an innovative collection of contemporary metal products that put the needs of the user first.

With comfort, quality, maintenance, function and design at the heart of every product designed and engineered, we have created a highly sought-after collection that looks great in gardens and outdoor spaces of all styles.

What's more, all of our storage products, planters and metal furniture components are **manufactured here in Britain** and come complete with an unrivalled **lifetime warranty\***, reflecting the quality of materials and precision manufacturing that goes into each one.

\*applies to metalwork components only.  
Excludes Tutbury Parasol.

# Parasol

An essential addition to any outdoor space, the **Tutbury** cantilever parasol provides shade and much needed protection on sunny days. Height adjustable, the sturdy parasol has a generous three meter span and can be rotated 360 degrees to follow the movement of the sun.

Complementing all products in the Tutbury collection, the parasol is available in both anthracite grey and porcelain white, whilst the weather resistant grey fabric canopy is also coated with UV protection to prevent fading.

## Bromley Horizontal Storage

With a 3,000L capacity the **Bromley** is a large, horizontal shed ideal for storing bikes, wheelie bins or an array of other household items.

Designed with simplicity of use in mind it has outward opening double doors and a hinged lid for easy storage access. Eliminating the need to open bin lids individually, Bromley cleverly features integrated wheelie bin clips, creating a singular opening when the main lid is lifted. It also features a handy door panel organisation system to hang belongings.

## Proud to be a British Manufacturer

**HEX Living products** are not only designed and manufactured with the end user in mind, as a British manufacturer we are uniquely placed in the market to offer retail partners complete flexibility when it comes to stock supply.

Our ability to manufacture and hold large volumes of stock at our factory in Staffordshire, means we can immediately supply the exact quantity of product you need, when you need it.

Our service completely eliminates the need for forecasting and the requirement of purchasing minimum quantities to fill a shipping container.

Immediate order and delivery means there is no need for you to hold large volumes of stock, releasing valuable cash flow and space.

HEX Living is part of **The HEX Group** and with four decades of engineering and manufacturing expertise, every HEX Living product is designed and manufactured in our world-class production facility in Hixon, Staffordshire.
