# Design your **Walls**

TO IGNITE CURIOSITY

## LAVENDER WREATH

The green and lavender wreath creates a cool environment in your home. An inviting fresh feeling. The collection of metal vines intertwined in harmony creating a perfect circle. The lavender wreath captures the essence of winter without being too festive.

**GWD563**

## GOLDEN LEAVES WREATH

Eight distinct metal leaf groupings are artfully arranged on this handcrafted Gold Finish Recycled Metal Leaf Wreath that perfectly hangs above a mantel or on a door. This statement-making seasonal decorative wreath is handcrafted from reclaimed metal and hand-painted in seasonal hues. This lovely wreath is a delightful alternative to traditional evergreen wreaths.

**GWD528**

## AUTUMN WREATH

Bring autumn right in-front of your door step. The collection of leaves and flowers with the perfect autumn colors gives a warm inviting feeling into your home. Made from a mix of new and reclaimed metal, each wreath is hand-formed, hand-welded and hand-painted.

**GWD673**

## GINGKO LEAF WREATH

Its minimalist design makes it the perfect starting point for a more elaborate decorating scheme on a front door, the colour and design is not your typical-looking wreath. Still, the unique design is captivating and different. Perfect for spicing up your space.

**GWD562**

## KOI WALL ART

A two dimensional wall art featuring twin koi's swimming around each other, symbolizes perfect harmony. The turquoise color with a splash of gold adds character to your space. The hand torched patterns on the koi makes your piece unique from everyone else's.

**GWD662**

## GINGKO WALL DÉCOR

A minimalist wall art with royal colours to elevate your living room. The gold accent on the tip of the ginkgo leaves gives a touch of divine feminine energy. Eye-catching but not too loud, elevating your living room.
