

Welcome to a
better world...

About Better Home

Better Home Products China (BHP)

Better Home Products (Zhejiang) Co., Ltd. is located in the Moganshan High-Tech Economic & Development Zone of Zhejiang Province, China. The factory has more than 55,000 square metres (or just under 600,000 sq ft) of production with advanced Injection Moulding and Brush Filling Machines, Hi Tech Powder Coating Lines and Metal Processing Equipment. Employing more than 800 People, specializing in the production of Indoor and Outdoor Clothes Dryers, Mops, Brushes, Window Squeegees and Kitchen Gadgets. Our primary markets are in the UK, Germany, Europe, USA and Australia, with annual turnover of \$50 million US dollars and we are still growing and 99.9% of all our sales come from this single production facility.

As the leading manufacturer of outdoor laundry products in China for decades, BHP has more than 100 design patents both in China and abroad. We strive to supply the most innovative, great value for money products to our customers together with the very best customer service possible.

Moreover, we are certified with ISO9001 Quality Management Systems, ISO14001 Environmental Management Systems, OHSAS18001 Occupational Health and Safety as well as the BSCI Ethical Audit and Sedex Registered, audited and approved.

Better Home Product UK Ltd (BHP UK)

Our UK Ltd company was formed specifically to provide a complete service to our numerous UK based Major Retail Customers and Distributors. Our highly experienced team work with individual clients to provide "Local" New Product Development, Marketing, Packaging, Stock and Supply Chain Support.

Centrally located just 45 minutes south of Manchester and one hour North of Birmingham in the market town of Whitchurch in North Shropshire.
