Nice to meet you!

Hi, we are Bonnie and Todd Selak, designers of unique and enchanting garden decorations that move in the wind. Our one-of-a-kind designs have never been seen before!

We also supply a curated collection of beautiful wind designs from around the world. Our ever-expanding range adds movement and whimsy to our customer's outdoor spaces. With a loyal customer base and over 500 5-star reviews, we pride ourselves on our customer service and on creating **high-quality designs that are made for the outdoors.**

We are always happy to answer any questions or to have a chat!
