cwplastics.com

Curtis Wagner Plastics is an accepted leader in the plastics industry and specializes in providing the most advanced and durable products for lawn and garden centers and other retail outlets. We primarily serve the wholesale distribution and chain store marketplaces and offer an extensive selection of plastic products designed and Made in the USA. Our commitment to quality and innovation in the field of plastics manufacturing sets us apart from the competition and ensures greater customer satisfaction at every phase of the distribution process.

We strive to be the industry leader for quality made in the USA lawn and garden, floral, pet and paint products.

BUSINESS SEGMENTSLawn and Garden /
Floral / Pet / Paint**THE ORIGIN OF EXCELLENCE**

The original clear vinyl plant saucer was created and produced in the 1970's by Curtis Wagner, himself, and quickly became popular in the art of plastic saucer production at the time. His innovation and drive inspired the founding of Curtis Wagner Plastics Corp. in Houston, Texas in 1992 and continues to motivate the operational team at our manufacturing facility to the present day. The clear plastic saucers are engineered with design features that are unique to our products. They are durable and designed to stand up to frequent and regular use.

AN UNMATCHED SELECTION

We offer a full line of clear vinyl products that include heavy-gauge footed saucers for added stability and increased floor protection. Curtis Wagner Plastics uses thicker and sturdier plastic to construct its products, ensuring that they last longer and work better for end users. Our clear plant saucers are available in diameters of 4–25 inches and in shallow, deep, or medium configurations. Curtis Wagner Plastics also manufactures hanging basket drip pans, cork & fabric plant mats, clear plant stands, carpet saver saucers for floral shops, nurseries and lawn and garden supply stores.

Hanging Basket Drip Pans

HANGING BASKET DRIP PANS

Our hanging basket drip pans feature four hooks rather than the more commonly found three-hook models. This allows for greater stability and a reduced chance of drips, spills and mishaps. This allows customers to plant hanging baskets anywhere without damaging floors or carpets.

- Hooks on hanging baskets fast and easy
- Catches water overflow
- Keeps plants moist
- Has molded built-in hooks
- Indoor & outdoor use
- Protects decks and floors from water damage

Plant Saucers

HEAVY GAUGE PLANT SAUCERS IN TERRACOTTA, BLACK AND CLEAR

PLANT SAUCERS HEAVY GAUGE PLASTIC

- Our clear plastic and vinyl plant trays and centerpiece display trays are elegant and functional, allowing end users to enhance the look of their botanical and floral masterpieces without the distraction of unwanted color.
- Each saucer has an airflow bottom design that does not trap moisture, dirt, etc. under the saucer.
- Saucers nest in half the space as our competitors.
- Saucers de-nest easily. They will not stick together.
- Floor and shelf display programs available.

**ALL OF OUR PRODUCTS
ARE PROUDLY MADE
IN THE USA.**

At Curtis Wagner Plastics, we hold a number of patents on innovative plastic products for the lawn and garden industry. We design every product from the ground up and use advanced manufacturing methods to ensure the most durable and practical items for consumer or commercial use. Our team has built a reputation for on-time delivery and enjoys a 100% fill rate for purchase orders. By providing exceptional customer service and outstanding products for our clients, we build lasting relationships with our distribution partners and achieve greater market saturation for our products.
