

Townhouse

The Townhouse range takes its inspiration from the beautiful period brick and stone Townhouses within the National Trust's care.

Lamb House Flagstones & Cobbles
Honey hued Limestone flagstones which complement period properties and more contemporary Townhouse gardens. Beautiful when paired with the matching cobbles.

Mompesson Porcelain
Elegant stone-effect porcelain tiles from Italy, in 2 hues Ivory & Gold. Suits terraces, paths and steps.

Rainham Hall Flagstones & Cobbles
Limestone flagstones in mid grey tones featuring a sawn edge and lightly tumbled and antiqued finish. Naturally non-slip and ideal for the British climate.

National Trust Paving Collection

We have pleasure in presenting the National Trust Paving Collection - six beautiful ranges of paving and landscaping products of unrivalled quality and character, influenced by National Trust properties, gardens and coastline across the country.

The Collection offers the discerning homeowner products that reflect the best of our nation's landscape heritage. Our flagstones, tiles, and garden accessories help to create stimulating and evocative outdoor spaces.

Crafted in the UK with meticulous attention to detail, our products are faithful reproductions taken from historic originals. With products from the National Trust Paving Collection your property can be infused with the charm, style and character of the great British garden.

Our Partnership

Westminster Stone has been working with the National Trust since 2011. The products within the National Trust Paving Collection have been carefully selected to meet high ethical and environmental standards.

A percentage of all sales of the Collection goes to the National Trust, and we are proud to have contributed over £350k in the past 10 years to the National Trust to help look after nature, history, and beauty for everyone, for ever.

Produced by Westminster Stone Company Limited under licence from National Trust (Enterprises) Limited (a subsidiary of the National Trust for Places of Historic Interest or Natural Beauty, registered charity number 205846)

Hidcote Flagstones

Snowhill Shingle

Hidcote Flagstones & Cotswold Trough

Cotswold Manor

The Cotswold Manor range takes its inspiration from the famous National Trust gardens at Hidcote and Snowhill. The range reflects the warm mellow tones of traditional Cotswold Buildings.

Hidcote Flagstones

Handmade to capture the fine detail and natural colour hues of authentic Cotswold flagstones. As seen on Channel 4's *Escape to the Château*.

Snowhill Shingle

With natural buff and cream hues, combine with Hidcote Flagstones for soft landscaping throughout your garden.

Cotswold Trough

The attractive trough may be planted or filled with water to create a useful and subtle feature within a garden or courtyard setting.

Hidcote Stepping Stone

With the same cream & buff tones as Hidcote paving, create picturesque paths for gardens and driveways with these random shaped stones.

Chedworth Tiles

Chedworth Tiles

Roman Villa

The Roman Villa range captures the essence of the Mediterranean with designs inspired by the Romano-British mosaics and paving at National Trust sites across the country.

Chedworth Tile

Based on antique terracotta originals, the square Chedworth tiles are perfect for garden rooms, greenhouses and garden patios.

Chedworth Chippings

This eco-friendly crushed tile and recycled brick chipping can be used for terraces, borders and pathways as part of the range.

Chedworth Stepping Stone

With the same beautiful terracotta colouring as the Chedworth Tile, use these random shaped Stepping Stones to create colourful paths within your garden design.

Country House

The Country House range offers classic garden heritage inspired by the grandeur and formality of the nation's finest stately homes.

Petworth Flagstone

This reproduction York Stone has great character, authentic detail and a smooth worn texture. The warm olive and grey flagstones can be laid randomly or coursed across pathways.

Tatton Cobble

Replicating the charm of a country house courtyard, Tatton Cobble adds character to paths, drives and borders and complements the Petworth flagstones.

Kerbstone

Designed to complement the flagstones and cobbles in the range and provide edging to paths and borders.

Tatton Shingle

The finishing touch to any design using this range.

Petworth Stepping Stone

Combine these random shaped stones with Petworth flagstones to create pretty paths within your garden.

Kitchen Garden

This range reflects the traditions of the wonderful working gardens at National Trust properties providing products full of warmth and character.

Barrington Flagstone

This distinctive flagstone in warm beige brown hues is reminiscent of those found within the grounds and kitchen garden at Barrington Court, Somerset.

Brick Paver

These mellow brick pavers can be laid coursed, in basket weave or herringbone patterns bringing warmth to any design.

Millstone

This handmade replica millstone can be set within planting or used as a subtle garden or water feature

Barrington Shingle

The warm tones of gold, cream and ochre perfectly complement the flagstones and bricks

Barrington Stepping Stone

Handmade to match the Barrington Flagstone, providing an exciting range of design options in their random shapes.
