TECHNOLOGICAL REVOLUTION OF GLOVE MANUFACTURING

Patent Granted: US, CA, CL, BR, MX, EU, RU, AU, IN, CN, JP, VN, KR, ZA

NEW TECH

Seamless technology reduces friction between skin & stitch edges

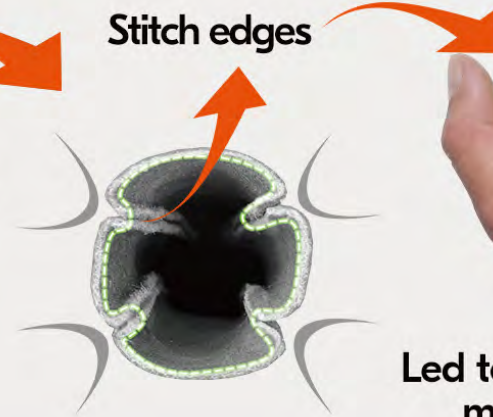

TRADITIONAL SEWING

TRADITION **VS** NEW TECH

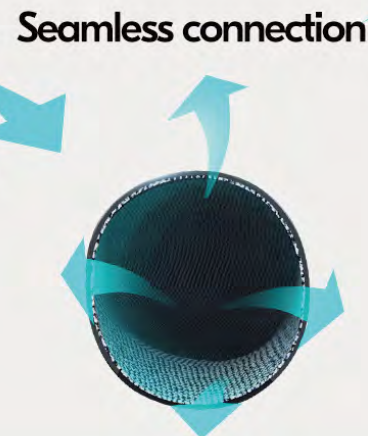

Traditional sewing gloves
with stitch edges

Led to scratches & squeezes
marking & discomfort

VGO NGG gloves
without stitch edges

Smooth & Comfort

**INJECTION MOLDING COMBINED WITH SEAMLESS BONDING TECHNOLOGY
FOR THREE-DIMENSIONAL INTEGRATED FORMING PRODUCTS**

**INFUSED WITH RICH FRESH AROMAS
FOR ALL SERIES**

**More Optional Scents:
Rose, Lemon, Mint, Citrus, Lavender, Chamomile, Apple...**

COLDPROOF GLOVES

Starfish-Long Coldproof & Household & Chemical Resistance Reusable Work Gloves TP1117WL

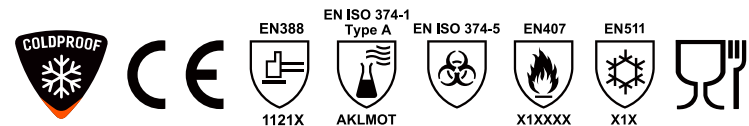

LENGTH: 320MM-360MM THICKNESS: 1.4MM SIZE: XS-XL

FEATURES:

- 360° Wool liner for coldproof down to -5°C/23°F
- Chemical protection against AKLMOT
- Non-sticky & soft innovative lining
- 360° Skin-friendly TPE, and it remains soft and non-deforming in -30°C cold or 75°C hot condition
- Excellent grip in wet & dry condition
- 3 times thicker and durability than regular ones, scratch protection

APPLICATIONS:

- Food processing
- Commercial fishing
- Fish processing
- Chemical
- Cold(ice) parts handling

CUT RESISTANCE GLOVES

Starfish-Long Cut Resistance & Household & Chemical Resistance Reusable Work Gloves TP1117CTA3/TP1117CTA5

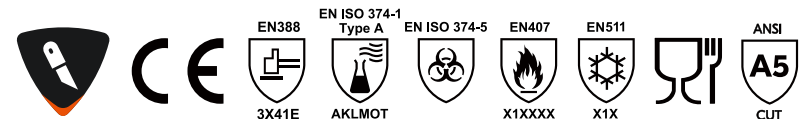

LENGTH: 320MM-360MM THICKNESS: 1.2MM SIZE: XS-XL

FEATURES:

- 360° Cut resistance, EN388 cut C/E / ANSI cut level 3/5
- Chemical protection against AKLMOT
- Non-sticky & soft innovative lining
- 360° Skin-friendly TPE, and it remains soft and non-deforming in -30°C cold or 75°C hot condition
- Excellent grip in wet & dry condition
- 3 times thicker and durability than regular ones, scratch protection

APPLICATIONS:

- Food processing
- Commercial fishing
- Fish processing
- Chemical
- Cold(ice) parts handling

STARFISH-LONG HOUSEHOLD & CHEMICAL GLOVES

Starfish-Long Household & Chemical Resistance Reusable Work Gloves TPIII7

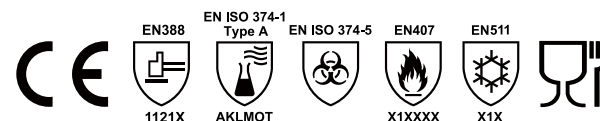

LENGTH: 320MM-360MM THICKNESS: 1.2MM SIZE: XS-XL

FEATURES:

- Chemical protection against AKLMOT
- Non-sticky & soft innovative lining
- 360° Skin-friendly TPE, and it remains soft and non-deforming in -30°C cold or 75°C hot condition
- Excellent grip in wet & dry condition
- 3 times thicker and durability than regular ones, scratch protection

APPLICATIONS:

- Food processing
- Commercial fishing
- Fish processing
- Chemical
- Cold(ice) parts handling

MULTI-PURPOSE

Ideal for gardening, ranching, cleaning, household, regular construction, logistic, chemical etc.

STARFISH-GEN HOUSEHOLD & CHEMICAL GLOVES

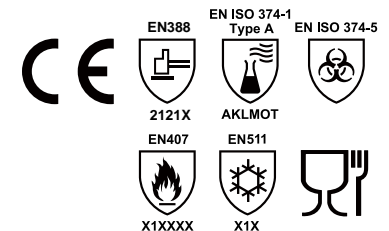

Starfish-Gen Household & Chemical Resistance Reusable Work Gloves TP1147

FEATURES:

- Chemical protection against AKLMOT
- Non-sticky & soft innovative lining
- 360° Skin-friendly TPE, and infused with rich fresh aromas
- Excellent grip in wet & dry condition
- Multi-purpose, ideal for cleaning, household, construction, logistic, warehousing, gardening, ranching, chemical etc.
- Size: S-XL

APPLICATIONS:

- Food processing
- Commercial fishing
- Fish processing
- Chemical
- Cold(ice) parts handling

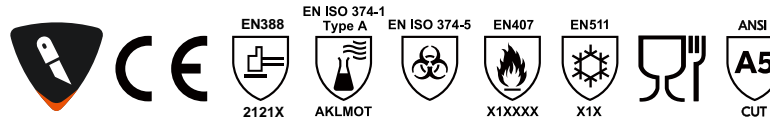

Starfish-Gen Cut Resistance & Household & Chemical Resistance Reusable Work Gloves TPII47CTA3/TPII47CTA5

FEATURES:

- 360° Cut resistance, EN388 cut C/E / ANSI cut level 3/5
- Chemical protection against AKLMOT
- Non-sticky & soft innovative lining
- 360° Skin-friendly TPE, and infused with rich fresh aromas
- Excellent grip in wet & dry condition
- Multi-purpose, ideal for cleaning, household, construction, logistic, warehousing, gardening, ranching, chemical etc.
- Size: S-XL

APPLICATIONS:

- Food processing
- Commercial fishing
- Fish processing
- Chemical
- Cold(ice) parts handling

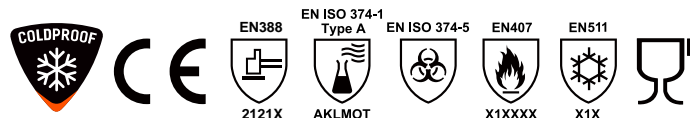

Starfish-Gen Coldproof & Household & Chemical Resistance Reusable Work Gloves TPII47WL

FEATURES:

- 360° Wool liner for coldproof down to -5°C/23°F
- Chemical protection against AKLMOT
- Non-sticky & soft innovative lining
- 360° Skin-friendly TPE, and infused with rich fresh aromas
- Excellent grip in wet & dry condition
- Multi-purpose, ideal for cleaning, household, construction, logistic, warehousing, gardening, ranching, chemical etc.
- Size: S-XL

APPLICATIONS:

- Food processing
- Commercial fishing
- Fish processing
- Chemical
- Cold(ice) parts handling

Starfish-Gen Household & Chemical Resistance Reusable Work Gloves TPI158

- Chemical protection against AKLMOT
- Non-sticky & soft innovative lining
- 360° Skin-friendly TPE, and infused with rich fresh aromas
- Excellent grip in wet & dry condition
- Multi-purpose, ideal for cleaning, household, construction, logistic, warehousing, gardening, ranching, chemical etc
- 360° Elastic TPE cuff
- Size: S-XL

EXCELLENT GRIP IN WET & DRY

Crystal ball weight **3KG**

Gecko-Gen Gription Work Gloves TP1130

- Skin-friendly TPE, excellent grip in wet & dry condition
- Waterproof palm
- Soft TPE for dexterity
- Size: S-XL

Octo-Gen Gription Work Gloves TP1212

- 360° Skin-friendly TPE, excellent grip in wet & dry condition
- Waterproof palm
- Soft TPE for dexterity
- Size: M-XXL

Gecko-Gen Coldproof & Gription Work Gloves TP1130WL

- 360° Wool liner for coldproof down to -5°C/23°F
- Skin-friendly TPE Palm, excellent grip in wet & dry condition
- Waterproof palm
- Soft TPE for dexterity
- Size: S-XL

Gecko-Gen Gription Work Gloves TPI151

- Skin-friendly TPE, excellent grip in wet & dry condition
- Waterproof palm
- Soft TPE for dexterity
- 360° Elastic TPE cuff
- Size: S-XL

GENERAL SERIES

Pangolin-Gen Abrasion Synthetic Leather Work Gloves TP1131

- Bignet® synthetic leather palm for excellent abrasion resistance
- Seamless technology reduces friction
- Lightweight & dexterous
- Size: S-XL

Pangolin-Gen Abrasion Goat Leather Work Gloves GA1131

- Soft & abrasive Beihai® goat leather palm
- Seamless technology reduces friction
- Lightweight & dexterous
- Size: S-XL

Pangolin-Grip Abrasion Synthetic Leather Work Gloves TP1137

- Bignet® synthetic leather palm for excellent abrasion resistance
- Silicone printed non-slip palm
- Lightweight & dexterous
- Size: S-XL

Pangolin-Pro Impact & Vibration Synthetic Leather Work Gloves TP1148

- Bignet® synthetic leather palm for excellent abrasion resistance
- Foam padding on knuckle and fingers for impact release
- Foam padded shock-absorbent palm
- Lightweight & dexterous
- Size: S-XL

Pangolin-Pro Vibration & Abrasion Synthetic Leather Work Gloves TP1138

- Bignet® synthetic leather palm for excellent abrasion resistance
- Foam padded shock-absorbent palm
- Lightweight & dexterous
- Size: S-XL

Pangolin-Gen Coldproof & Abrasion Synthetic Leather Work Gloves TP1131WL

- 360° Wool liner for coldproof down to -5°C/23°F
- Bignet® synthetic leather palm for excellent abrasion resistance
- Seamless technology reduces friction
- Lightweight & dexterous
- Size: S-XL

Pangolin-Plus Impact Release Utility Synthetic Leather Work Gloves TPI134

- Bignet® synthetic leather palm for excellent abrasion resistance
- Impact release knuckle
- Lightweight & dexterous
- Size: S-XL

Pangolin-Plus Impact Release Utility Goat Leather Work Gloves GA1134

- Soft & abrasive Beihai® goat leather palm
- Impact release knuckle
- Lightweight & dexterous
- Size: S-XL

Pangolin-Plus Gription & Impact Release Utility Synthetic Leather Work Gloves TP1139

- Bignet® synthetic leather palm for excellent abrasion resistance
- Silicone printed non-slip palm
- Impact release knuckle
- Lightweight & dexterous
- Size: S-XL

Pangolin-Plus Vibration & Impact Release Utility Synthetic Leather Work Gloves TP1140

- Bignet® synthetic leather palm for excellent abrasion resistance
- Foam padded shock-absorbent palm
- Impact release knuckle
- Lightweight & dexterous
- Size: S-XL

Pangolin-Plus Coldproof & Impact Release Utility Synthetic Leather Work Gloves TPII34WL

- 360° Wool liner for coldproof down to -5°C/23°F
- Bignet® synthetic leather palm for excellent abrasion resistance
- Impact release knuckle
- Lightweight & dexterous
- Size: S-XL

Pangolin-Plus Coldproof & Gription & Impact Release Utility Synthetic Leather Work Gloves TPII39WL

- 360° Wool liner for coldproof down to -5°C/23°F
- Bignet® synthetic leather palm for excellent abrasion resistance
- Silicone printed non-slip palm
- Impact release knuckle
- Lightweight & dexterous
- Size: S-XL

Pangolin-Plus Coldproof & Vibration & Impact Release Utility Synthetic Leather Work Gloves TPII40WL

- 360° Wool liner for coldproof down to -5°C/23°F
- Bignet® synthetic leather palm for excellent abrasion resistance
- Foam padded shock-absorbent palm
- Impact release knuckle
- Lightweight & dexterous
- Size: S-XL

IMPACT SERIES

BEENEST ABRASION GLOVES

Beenest-Gen Abrasion & Impact Synthetic Leather Mechanic Gloves TP1105

- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Soft TPE back covered provides impact release
- Size: M-XXL

Beenest-Gen Abrasion & Impact Goat Leather Mechanic Gloves GA1105

- Soft & abrasive Beihai® goat leather palm abrasion resistance, pass EN388 at level 2
- Soft TPE back covered provides impact release
- Size: M-XXL

BEENEST VIBRATION GLOVES

Beenest-Pro Vibration & Abrasion & Impact Synthetic Leather Mechanic Gloves TP1114

- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Foam padded shock-absorbent palm
- Soft TPE back covered provides impact release
- Size: M-XXL

BEENEST-GRIP GLOVES

Beenest-Grip Abrasion & Impact Synthetic Leather Mechanic Gloves TP1122

- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Silicone printed non-slip palm
- Soft TPE back covered provides impact release
- Size: M-XXL

BEENEST COLDPROOF GLOVES

Beenest-Gen Coldproof & Abrasion & Impact Synthetic Leather Mechanic Gloves TP1105WL

- 360° Wool liner for coldproof down to -5°C/23°F
- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Soft TPE back covered provides impact release
- Size: M-XXL

Beenest-Pro Coldproof & Vibration & Abrasion & Impact Synthetic Leather Mechanic Gloves TPI114WL

- 360° Wool liner for coldproof down to -5°C/23°F
- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Foam padded shock-absorbent palm
- Soft TPE back covered provides impact release
- Size: M-XXL

Beenest-Grip Coldproof & Abrasion & Impact Synthetic Leather Mechanic Gloves TPI122WL

- 360° Wool liner for coldproof down to -5°C/23°F
- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Silicone printed non-slip palm
- Soft TPE back covered provides impact release
- Size: M-XXL

BEENEST FINGERLESS GLOVES

Beenest-Pro Fingerless Abrasion & Impact Synthetic Leather Mechanic Gloves TP1124

- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Foam padded shock-absorbent palm
- Soft TPE back covered provides impact release
- Fingerless design for dexterity
- Size: M-XXL

Beenest-Grip Fingerless Abrasion & Impact Synthetic Leather Mechanic Gloves TP1107

- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Silicone printed non-slip palm
- Soft TPE back covered provides impact release
- Fingerless design for dexterity
- Size: M-XXL

TRIDACNA IMPACT GLOVES

Tridacna-Gen Impact & Abrasion Synthetic Leather Mechanic Gloves TP1106

- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Soft TPE back, thickness up to 7mm for impact protection, pass EN388 at level 2
- Size: M-XXL

Tridacna-Gen Impact & Abrasion Goat Leather Mechanic Gloves GA1106

- Soft & abrasive Beihai® goat leather palm
- Soft TPE back, thickness up to 7mm for impact protection, pass EN388 at level 2
- Size: M-XXL

TRIDACNA VIBRATION GLOVES

Tridacna-Pro Vibration & Impact & Abrasion Synthetic Leather Mechanic Gloves TPIII5

- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Foam padded shock-absorbent palm
- Soft TPE back, thickness up to 7mm for impact protection, pass EN388 at level 2
- Size: M-XXL

TRIDACNA-GRIP GLOVES

Tridacna-Grip Impact & Abrasion Synthetic Leather Mechanic Gloves TPI123

- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Silicone printed non-slip palm
- Soft TPE back, thickness up to 7mm for impact protection, pass EN388 at level 2
- Size: M-XXL

TRIDACNA COLDPROOF GLOVES

Tridacna-Gen Coldproof & Impact & Abrasion Synthetic Leather Mechanic Gloves TP1106WL

- 360° Wool liner for coldproof down to -5°C/23°F
- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Soft TPE back, thickness up to 7mm for impact protection, pass EN388 at level 2
- Size: M-XXL

Beenest-Grip Coldproof & Abrasion & Impact Synthetic Leather Mechanic Gloves TP1123WL

- 360° Wool liner for coldproof down to -5°C/23°F
- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Silicone printed non-slip palm
- Soft TPE back, thickness up to 7mm for impact protection, pass EN388 at level 2
- Size: M-XXL

Tridacna-Pro Coldproof & Vibration & Impact & Abrasion Synthetic Leather Mechanic Gloves TP1115WL

- 360° Wool liner for coldproof down to -5°C/23°F
- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Foam padded shock-absorbent palm
- Soft TPE back, thickness up to 7mm for impact protection, pass EN388 at level 2
- Size: M-XXL

TRIDACNA FINGERLESS GLOVES

Tridacna-Pro Fingerless Vibration & Impact & Abrasion Synthetic Leather Mechanic Gloves TPI125

- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Foam padded shock-absorbent palm
- Soft TPE back, thickness up to 7mm for impact protection, pass EN388 at level 2
- Fingerless design for dexterity
- Size: M-XXL

Tridacna-Grip Fingerless Impact & Abrasion Synthetic Leather Mechanic Gloves TPI108

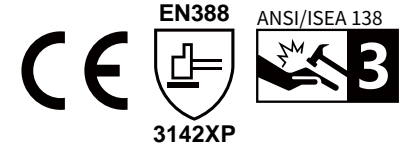

- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Silicone printed non-slip palm
- Soft TPE back, thickness up to 7mm for impact protection, pass EN388 at level 2
- Fingerless design for dexterity
- Size: M-XXL

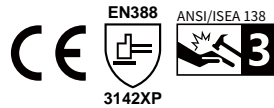

TESTUDO IMPACT PRO GLOVES

IMPACT PROTECTION

11mm thickness TPE

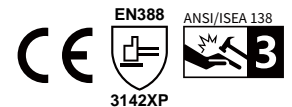

Testudo-Pro Impact & Vibration Synthetic Leather Heavy Duty Mechanic Gloves TP1109

- Foam padded shock-absorbent palm
- 11mm thickness TPE for ANSI impact protection level 3
- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Size: M-XXL

Testudo-Grip Impact Synthetic Leather Heavy Duty Mechanic Gloves TP1111

- Silicone printed non-slip palm
- 11mm thickness TPE for ANSI impact protection level 3
- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Size: M-XXL

CUT RESISTANCE SERIES

360° Anti-cutting Lining

Tridacna-Cut Resistance Impact & Abrasion Synthetic Leather Mechanic Gloves TP1106CTA3/TP1106CTA5

- 360° Cut resistance, EN388 cut C/E/ ANSI cut level 3/5
- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Soft TPE back, thickness up to 7mm for impact protection, pass EN388 at level 2
- Size: M-XXL

Testudo-Cut Resistance & Impact Synthetic Leather Heavy Duty Mechanic Gloves TP1103CTA3/TP1103CTA5

- 360° Cut resistance, EN388 cut C/E/ ANSI cut level 3/5
- 11mm thickness TPE for ANSI impact protection level 3
- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Size: M-XXL

Tridacna-Pro Cut Resistance & Vibration & Impact & Abrasion Synthetic Leather Mechanic Gloves TP1115CTA3/TP1115CTA5

- 360° Cut resistance, EN388 cut C/E/ ANSI cut level 3/5
- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Foam padded shock-absorbent palm
- Soft TPE back, thickness up to 7mm for impact protection, pass EN388 at level 2
- Size: M-XXL

Tridacna-Grip Cut Resistance & Impact & Abrasion Synthetic Leather Mechanic Gloves TPII23CTA3/TPII23CTA5

- 360° Cut resistance, EN388 cut C/E/ ANSI cut level 3/5
- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Silicone printed non-slip palm
- Soft TPE back, thickness up to 7mm for impact protection, pass EN388 at level 2
- Size: M-XXL

Beenest-Cut Resistance & Abrasion & Impact Synthetic Leather Mechanic Gloves TPII05CTA3/TPII05CTA5

- 360° Cut resistance, EN388 cut C/E/ ANSI cut level 3/5
- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Soft TPE back covered provides impact release
- Size: M-XXL

Beenest-Pro Cut Resistance & Vibration & Abrasion & Impact Synthetic Leather Mechanic Gloves TPII14CTA3/TPII14CTA5

- 360° Cut resistance, EN388 cut C/E/ ANSI cut level 3/5
- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Foam padded shock-absorbent palm
- Soft TPE back covered provides impact release
- Size: M-XXL

Beenest-Grip Cut Resistance & Abrasion & Impact Synthetic Leather Mechanic Gloves TPII22CTA3/TPII22CTA5

- 360° Cut resistance, EN388 cut C/E/ ANSI cut level 3/5
- Bignet® synthetic leather palm for excellent abrasion resistance, pass EN388 at level 3
- Silicone printed non-slip palm
- Soft TPE back covered provides impact release
- Size: M-XXL

Pangolin-Plus Cut Resistance & Vibration & Impact Release Utility Synthetic Leather Work Gloves TPII40CTA3/TII40CTA5

- 360° Cut resistance, EN388 cut C/E / ANSI cut level 3/5
- Bignet® synthetic leather palm for excellent abrasion resistance
- Foam padded shock-absorbent palm
- Impact release knuckle
- Lightweight & dexterous
- Size: S-XL

Pangolin-Plus Cut Resistance & Gription & Impact Release Utility Synthetic Leather Work Gloves TP1139CTA3/TP1139CTA5

- 360° Cut resistance, EN388 cut C/E / ANSI cut level 3/5
- Bignet® synthetic leather palm for excellent abrasion resistance
- Silicone printed non-slip palm
- Impact release knuckle
- Lightweight & dexterous
- Size: S-XL

Pangolin-Gen Cut Resistance & Abrasion Synthetic Leather Work Gloves TP113ICTA3/TP113ICTA5

- 360° Cut resistance, EN388 cut C/E / ANSI cut level 3/5
- Bignet® synthetic leather palm for excellent abrasion resistance
- Lightweight & dexterous
- Size: S-XL

Octo-Gen Cut Resistance & Gription Work Gloves TPI212CTA3/TPI212CTA5

- 360° Cut resistance, EN388 cut C/E/ ANSI cut level 3/5
- 360° Skin-friendly TPE, excellent grip in wet & dry condition
- Waterproof palm
- Soft TPE for dexterity
- Size: M-XXL

Gecko-Cut Resistance Super Gription Work Gloves TPI130CTA3/TPI130CTA5

- 360° Cut resistance, EN388 cut C/E/ ANSI cut level 3/5
- Skin-friendly TPE Palm, excellent grip in wet & dry condition
- Waterproof palm
- Soft TPE for dexterity
- Size: S-XL

Pangolin-Plus Cut Resistance & Impact Release Utility Synthetic Leather Work Gloves TPI134CTA3/TPI134CTA5

- 360° Cut resistance, EN388 cut C/E/ ANSI cut level 3/5
- Bignet® synthetic leather palm for excellent abrasion resistance
- Impact release knuckle
- Lightweight & dexterous
- Size: S-XL
