# Welcome!

Our Children's catalogue is jam packed with **amazing, licensed products** that are designed to keep little hand's busy and having fun! **Arts & Crafts, Gardening Tools, Outdoor Toys, Water Sprayers, Baby Essentials, Stationery and Gifts** are available from probably the best Preschool brands around. We welcome every Pre-schoolers favourite Peppa Pig to our catalogue this year and have **extended our brands to include more arts & crafts, outdoor toys and water sprayers**. We continue to be focused as a business to **reduce our use of single use plastics** and use **ethically sourced materials** for packaging. The **environment is important to us** and we are looking at ways of **reducing unnecessary product packaging** and shipping products in more efficient ways to **reduce our carbon footprint**. We hope you love our products as much as we do!
