BERGAMOT & BLACK TEA

Nostara's first creation and signature fragrance is sure to be an enduring favourite. This scent brings freshness with its bright citrus scent to your home. Elegant and refined, the Bergamot top notes create a lively presence and the full-bodied infusion of Black Tea gives an underlying complexity. The addition of Grapefruit and Lemon top notes further enliven the aroma, and the lightest touch of Jasmine and Rose brings balance. Subtle notes of Cardamom and Nutmeg underscore the fragrance with an elusive spiciness, whilst the base notes of Cedarwood and Moss give this modern chypre a foundation in the forest.
