DISCOVER REDFIRE

Discover what our Brand RedFire has to offer to make your outdoor life even more atmospheric and cozy. For all lovers of fire and atmosphere in the garden you are good with the products from the various product lines of the Redfire range.

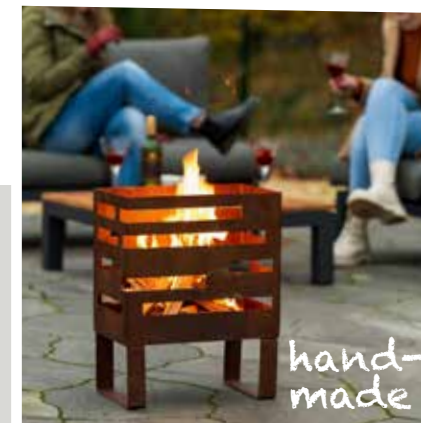

Looking for a sleek and modern design for the garden or on the terrace or fan of the colorful Mexican clay fireplaces? Garden fireplaces, fire bowls, clay fireplaces;

Get a good impression of the extensive ranges of Redfire!

REDFIRE® creates the latest design in trendy outdoor firepits. REDFIRE® has a wide range of firepits in stock and has developed new models which work on different fuels like pellets and bio ethanol, next to the regular wood logs. We offer a range of iconic, eye-catching, and decorative items, which also stand out without being alight. The combination of cooking on fire is very popular and, in this segment, we offer many different models and styles.

We work together with our customers to create a tailor-made collection which is fitting in price and appearance. We look forward working with you.

FIREPITS

RedFire offers a wide variety firepits. We want everyone to be able to enjoy the cosiness of fire in the garden. Take a look at our extensive range and be surprised with the beautiful design because whether your customers have a small or a large backyard, balcony or terrace, a RedFire product always fits!
