# WILDJAC

Wildjac is an eco-conscious distillery dedicated to crafting the finest spirits that bring joy to our customers while being kind to the planet. We specialize in premium, handcrafted spirits made from natural ingredients foraged from the Wyre Forest and surrounding lands.

Setting us apart, we blend the finest foraged botanicals with a serious approach to distillation. Never complacent, we are always committed to doing good for the planet and the community. Our approach is decidedly different, creating a unique experience for those who appreciate the artistry of spirits while valuing environmental and community stewardship.

We care about the world we live in and the impact we have that's why we support and donate **1%** of all sales revenue back to charities and organisations.

# NATURAL DRY GIN

A truly natural gin inspired by our home deep within the Wyre Forest.

Classic notes of juniper berry are lifted by locally sourced and foraged thyme, douglas fir and lemon balm.

Big botanical notes are rounded by chamomile & angelica. Late additions of fresh orange & lemon lift this gin to a beautiful refreshing finish.

**The perfect gin for your tonic**
