LEADING THROUGH INNOVATION SINCE 2004

Celebrating 20 years of Lodi UK

History of Lodi UK! – Established in 2004, our story began supplying 5 professional pest control products from our hub in the West Midlands, a place we still call home today. LODI UK is a subsidiary of the LODI Group who are one of Europe's largest family-owned manufacturers of pest control chemicals. Individual and authentic, what you see is what you get.

Over the years Lodi UK has invested in both people and products, growing to be one of the UK's leading suppliers into the professional, agricultural and retail sectors. Your one stop shop for pest control solutions.

Leading through innovation! Here at Lodi UK, we strive to launch new, innovative active ingredients and formulations to ensure that our customers have the best possible armoury in controlling pests. We offer an extensive range of products targeted at insect & rodent control, stored grain protection, garden & ground care and amenities.

Our products are used by all blue-chip companies involved in pest control as well as professionals in the agricultural industry.

Cheers to 20 years! As a business we are focused on offering first class service, on-hand technical advice and unrivalled marketing support. With 20 years' experience supplying the professional pest control industry, Lodi UK has a unique perspective on what works and how to make it market leading, delivering products that you know you can trust. Building on a history of quality and service we always endeavour to support & inspire our partners, customers and end-users.

Think Big, Think Lodi! Every year we look to do more and achieve more, leading the way in sustainable pest control solutions. Forming part of our ongoing sustainability mission, Lodi UK are committed to reducing our plastic consumption by over 57% with the introduction of recycled buckets and baiting made better - Better for us, better for you and better for the planet. The future is bright, the future is Lodi. Our company promise is simple, we aim to be your pest control partner of choice.

2004 – 2024

“

20 years! How quickly time flies.. it has been a real pleasure seeing how the Lodi business and team have developed over the years - many of our team as well as many of our customers have been with us since the beginning! We pride ourselves on delivering quality products coupled with a reliable and good service.

Lodi wouldn't be where it is now without the product, passion and the people, our team and very importantly the loyalty of our customers.

Thank you for all your support over the years and cheers to many more to come!
