

FOR THE BEST GAINS ALL YEAR ROUND

PLANT-BASED GAINS.

All our lawn care products help improve the quality of your soil and the health of your grass.

By not using chemicals, additives or ingredients found in synthetic fertilisers our organic lawn care range supports the environment.

ALL GAIN. NO PAIN.

Designed to help you sculpt the perfect garden without all the blood, sweat and tears. Our team have developed a range of easy-to-use, fresh and modern products that bring the best out of your lawn all year round.

Founded in 2022 by pro footballer Henri Lansbury, Grass Gains is trusted by turf experts and even used on Premier League pitches.
