## Create Flower Displays, Perfect For Pollinators

Free from  
Peat & Plastic

## Bee Friends® ECO Box Seed Shakers

Pollinator Friendly Shake n' Rake® Mixtures

### Simply Shake • Rake • Water

- Easy to sow and grow
- Sourced and packed in the UK/EU
- Highest quality seeds
- Natural seed carrier - no vermiculite
- Pollinator friendly varieties

15g of seed & over 8,000 seeds per box  
Covers up to 37m<sup>2</sup>

When it's gone,  
IT'S GONE!

Seed mixture blended with peat-free carrier to evenly mix the varieties for a more natural flower display.

This method of sowing will reduce over-crowding to produce stronger plants.

It is also easy to see which areas have been sown due to the colour of the seed carrier.

Ever-changing flower varieties to bloom from early spring through to autumn, to help pollinators and other garden wildlife throughout the year.
