OUR STORY

Churnet Valley Garden Furniture began as a father and son operation in 2012, crafting timber products in a garden shed.

Our passion for quality woodworking quickly grew, leading us to exhibit at local garden shows and eventually achieved a breakthrough at Glee 2018, where we caught the attention of a nationwide audience.

This success led to significant expansion, and today we operate from a larger factory in the Staffordshire Moorlands, creating jobs and streamlining our processes to meet the demand for our unique, heavy-duty garden furniture.

We make every effort to always ensure that our furniture offers true value – combining durability, affordability, and timeless design.

Our Products

At Churnet Valley Garden Furniture, we offer two types of wood for our handcrafted products, each designed to meet your needs.

Our **Tanalised range**, this features premium pressure-treated timber preserved with Tanalith E, ensuring durability and resistance to rot for up to 20 years, even in harsh weather.

Our **Valley Collection** is crafted from the finest Swedish Redwood by skilled British craftsmen, pre-treated to create a stunning golden oak shade. The treatment offers antifungal, mold, and UV protection. With proper care, this collection offers long-lasting elegance and resilience, making it a timeless addition to your outdoor space.

The mark of
responsible forestry

We are proud to be FSC® certified.
The FSC® is dedicated to the promotion of responsible
forest management worldwide.

ARBOURS

Create a peaceful retreat in your garden with our beautifully crafted arbours.

The Ergo Range

CHAIRS. BENCHES & TABLE SETS

Introducing our premium luxury, **pressure-treated** range, designed with ergonomics in mind for the ultimate in comfort. Our seating offers lumbar support on the backrests, ensuring a relaxed experience every time.

Each piece features robust timber sections, with legs crafted from chunky 95 mm x 45 mm beams, 45 mm x 20 mm seat slats, and our signature 95 mm x 45 mm armrests on the benches and chairs.

The Ergo tables are built to the same high standards, with 120 mm x 35 mm tabletop planks, 95 mm x 45 mm legs, and unique under-table supports, making them some of the sturdiest tables available.

The Valley Range

CHAIRS. BENCHES & TABLE SETS

The Valley Range embodies the perfect blend of craftsmanship and durability, offering a timeless appeal with its beautiful golden oak shade.

Each piece is meticulously hand-crafted in the UK from high-quality Swedish Redwood, ensuring not only a stunning appearance but also lasting strength. The timber used in this range is pre-treated, providing added protection against the elements and enhancing its longevity.

Designed with both aesthetics and durability in mind, every item in The Valley Range is securely screwed and bolted, providing a robust and sturdy structure that will stand the test of time. This combination of premium materials and expert craftsmanship results in garden furniture that is not only visually appealing but also built to last, making it a valuable addition to any outdoor space.
