Birds know when it's...

Unipet International is a market leading manufacturer and innovator of wild bird food specialising in suet-based cakes, balls and pellets, which are sold to Pet Speciality and Grocery chains in the UK and EU.

Established in 1993 the company now operates on a 2 ½ acre site in Sittingbourne, North Kent, in a modern manufacturing facility employing 70 local highly trained staff.

Quality & bird acceptance have been at the heart Unipet International's premium suet & wild bird feeds for 30 years and are proud to use only British beef fats and oils.

- Highly Palatable
- Plastic Free Packaging
- No fillers or carbonate
- High quality fats & oils
- Made in the UK
- Feed all year round

Unipet is able to service companies worldwide to offer our highly respected Suet To Go® and Bark Butter® brands as well as own label products with an extensive range of shapes, sizes and flavours available.

For details of the full range of Suet To Go products, including filled coconuts, logs & feeders, please see our price list or email marketing@unipet.co.uk
