Organic Knitwear

Organic cotton clothing is a pleasure to wear because of its breathability – it will keep you cool in the summer, and cosy in the winter, plus it will last far more wears in between washing than synthetic fibres.

A GOTS label in a garment means that you can be sure that it has reached the GOTS specifications of social and environmental compliances

Celebrations

This is the year to celebrate with friends and family. We've created a co-ordinated group in soft fabrics and easy silhouettes that can be dressed up or down.

Our GOTS license number is DK26875
