COTTON KNITWEAR

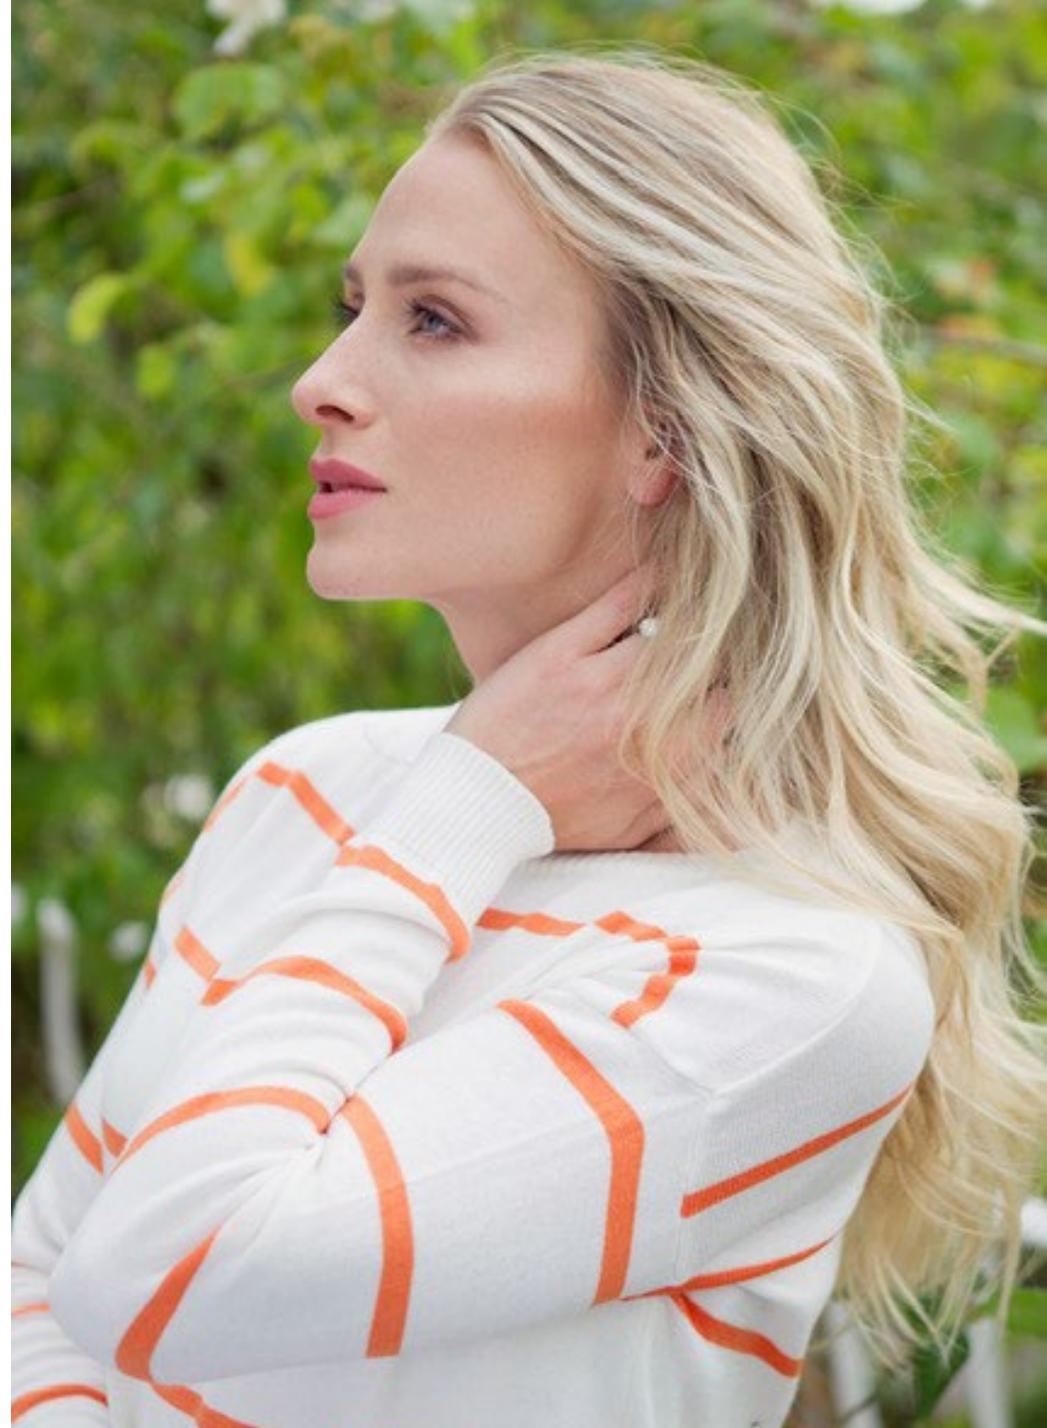

Crafted for style and comfort, our 100% cotton knitwear collection is wonderfully lightweight and perfect for layering. Take your pick from a range of colour palettes and styles your customers will love.

Ecotec® yarn

All our cotton garments are made using Italian Ecotec® yarn – the new generation of smart cotton. The process transforms redundant garment clippings into beautiful, colourful yarns. Developed with the environment as a priority, Ecotec® delivers excellent savings in energy consumption and water, allowing us to use less resources while maintaining our quality standards.
