One sheet: Fragrances and Candles

Fashion designer by day, fragrance connoisseur by night, Matthew O'Brien's creativity knows no bounds. Conceived, developed and hand-made by the creative director himself, a range of fine fragrances and luxury candles will be available at MatthewOBrien.co.uk in 2020.

I can't remember a time in my life when I haven't been obsessed with creating. Whilst fashion is my first love, developing bespoke fragrances and hand-pouring my own candles is something that I have genuinely enjoyed doing in my spare time, since childhood. Bringing joy to others who appreciate the finer things in life is one of my life's missions. The fact that people can now enjoy my brand as a multi-sensory experience is beyond my wildest dreams.
