Mulberry tea

РЕЦЕПТ АВИЦЕННЫ

The drink is used to lower blood pressure, as well as a tonic, anti-inflammatory agent. Mulberry tea is drunk for headaches (it is used as a sedative and anesthetic), for dizziness, neuralgia, edema.

Few people know that tea made from mulberry leaves eliminates worms, especially in children.

For therapeutic purposes, it is better to drink tea before meals.

The drink has a mild and delicate flavor.

It does not contain caffeine, artificial colors, additives or preservatives.

The drink is rich in antioxidants, which takes a key role in strengthening the immune system and reducing cholesterol.

One of the most outstanding qualities of the leaves of mulberry is the prevention of the sugar ingress into the blood. Tea contains Deoxynojirimycin, which helps to lower sugar levels.
