NIKKITA

FOOTWEAR MANUFACTURING

Established in the 1990's, Nikkita Footwear is contributing 30 years of experience in footwear.

Nikkita Footwear operates from our 4500m² premises, which also comprises of our in-house injection moulding plant.

Our successful formula is to provide a fashionable range of footwear for all genders which offers great value, quality & excellent customer service with OXO his & her leather range, pumps, wedges & sandals. From the TPR, PVC & PU soles, to the desired designed upper, our shoes will allow you to set a trend, live an individual life, make your mark & leave behind a legacy.

Nikkita Footwear is a team of professional, reliable and committed people who, through honesty, integrity and excellence, are determined to be the best in our industry.

We will always strive for a positive outcome when dealing with customers ensuring that we have the most competitive prices without compromising quality and profitability.
