

Arkell & Wills

CASHMERE

Arkell & Wills was founded by Debz Critchley & Nicky Wills in 2016, we wanted to create beautiful cashmere pieces, which had a little twist of difference and so this is the concept behind all the Arkell & Wills collections - contemporary, indulgent combined with uncompromising quality. We want to sell clothes that flow through seasons and you never want to stop wearing.

Since the pandemic last year all the events that Arkell & Wills were due to attend were cancelled. We decided we were going to focus more on the wholesale side of our business and we were not going to give up in these challenging times. For the last couple of years a few boutiques have stocked Arkell & Wills, which has proved successful for both us and the boutiques, so here we are with our A/W21 collection, which we hope you will love and feel it will sit well in your boutiques this winter.

Testimonials

We stocked Arkell & Wills at Yard for two seasons previously and are very excited to see the new AW range. The quality and fit is excellent and offers real value for money in a very competitive market, not only this but it washes really well so we didn't get any returns. Nicky and Debz (the Duo behind Arkell & Wills) are very professional and a pleasure to work with. The styles we bought stood out from the rest of our cashmere brands with really nice twists on design and most importantly we had a 95% full price sell through.

I have stocked the beautiful Arkell & Wills cashmere at my shop, LOLA in Cirencester. It was difficult to say NO to the sample styles Nicky showed us. They all look gorgeous felt soft to the skin. It is and feels luxury. At the time I did not place a big order, as I had already spent most of my budget. The collection we bought was beautiful... My customers loved it...

Lola, Cirencester

I have dealt with Arkell & Wills for a couple of seasons in the past and bought some very lovely pieces of cashmere. We sold them all extremely well and my customers were absolutely delighted. The colours, styles and above all the quality were exactly what my customers were looking for and the price was extremely competitive. Thank you for supplying Lili Boutique and we do hope to see your new collection soon.
