## BOSKA

divine

**Adjective** - very pleasing; delightful

[similar: lovely, beautiful, gorgeous, stunning, marvellous, excellent, perfect]

Architecture, fashion, art and contemporary, self-conscious woman - these are the inspirations that have always accompanied **Monika Tomaszewska, the creator and designer of the BOSKA brand**. It is a jewellery that adorns and makes you addicted.

Intricate ornaments, natural stones, delicate lace details, chains and replicas of historical coins, card tokens and medals have been characteristic of the brand's designs for years. The way they are combined is like the author's signature. This jewellery cannot be mistaken for any other. Long necklaces, earrings, bracelets and rings are **made by hand in the intimate studio in Warsaw**.

### **You are BOSKA!**

In every sense of the word. The way you wear BOSKA pieces gives them distinctful meaning. Look, wear and feel divine. This is jewellery for woman who not only looks for unusual designs but through dress and accessories wants to emphasize her individual character and personality.
