A Milestone in Fashion:

The Marble Handbag

By using **genuine marble** in its designs, Wonders of Stone carries the world of fashion to a completely new arena.

Thanks to this highly innovative technology, you can now compliment your personal style with the glamorous elegance and unique energy of natural marble.

As Unique

As You.

Just like your fingerprints.

Each bag is made of genuine marble and therefore has its completely
unique texture.

Remember that this marble has completed a very long journey to
become yours, and there is no other which is the same.

Nature Meets Fashion

**Touch Real
Nature !**

Marble is considered one of the most distinctive signatures of human history.

Now, it is presented to fashion-forward women as a day-to-day accessory.

Natural stones carry

positive energy.

With your Wonders of Stone handbag, you will be touching pure nature, with over 300 million years of history.

A Genuine Fashion Statement

A woman's **signature accessory** - her handbag -
combined with the most raw and precious signature that nature has to
offer - genuine marble.

You won't believe how light it is!

This handbag made from durable genuine marble that is **1 mm thin**, thanks to its superior and innovative technology.

Each marble used has been carefully selected from the highest quality marble quarries located all over the world.
