

BREAKING THE RULES

Was created to break the most important norm in shoe wear manufacturing. We went against the rule stating that the counter inner side should be made of soft material. We cut it open and replaced it with metal on skin. And it is working.

UNFAITHFUL

We name this line „unfaithful” because we betrayed our initial beliefs: to manufacture just high heels. We are „unfaithful” but we like it, because a bit of disobedience never killed anyone.

FKING PRECIOUS**

This line was created for women who aren't afraid to speak up and who live for doing what they've been told is impossible.
