

SABIRTEKS
Tekstil

www.sabirtekstil.com

SABIR TEKSTIL was founded in 1988 by the DURMUS family. It has become one of the leading ready-to-wear manufacturing companies in Turkey thanks to its innovative, sustainable and always better production policies that it has followed since its inception. It produces Jeans and Woven Pants products to the leading brands of Turkey thanks to the high quality products and service that it offers to its customers. SABIR TEKSTIL continues its activities with its professional staff under the management of owner Hasan DURMUS. SABIR TEKSTIL production, which has an annual production number of 4,000,000 million units, is carried out in Istanbul and Adiyaman factory with a total of 500 people and 10.000 m2 closed area using the latest technological systems.
