ABOUT US

A PURE NATURAL FIBRE KNITWEAR BRAND

Welcome to Paul James. We are an award-winning, luxury, knitwear manufacturer based in Leicestershire, England. We strive to deliver the purest knitwear experience, which is why we shun man-made fibres, instead using only 100% natural fibre yarns in the production of our knitwear.

We trawl the globe in search of the most prestigious spinners to ensure every piece of Paul James knitwear is crafted from the most luxurious materials. We travel to Italy for cashmere blends and extra-fine merino wool - then to Peru for a chunkier version - India and Egypt for premium cotton, South America and England for ultra-warm, soft alpaca and the British Isles for its famed wool and lambswool.

We take these yarns and knit them into stylish, functional garments that are made to last.

We love working with passionate people, combining our knowledge and expertise with our brands to bring our customers timeless elegance and comfort.

OUR DESIGNS

Our collections make the everyday extraordinary. We craft timeless classics and wardrobe staples from the finest cotton, cashmere, alpaca, merino and lambswool - each piece, a faultless combination of form and function. We champion ethically sourced products and the unique craftsmanship of British design and manufacturing.

OUR ETHOS

Our decades of knowledge, skill and craftsmanship combine seamlessly with the latest machinery and traditional manufacturing techniques, meaning we can design and fashion exclusively crafted knitwear, for a price that's fair. Moreover, our sweaters are natural and sustainable, thus reducing our reliance on man-made fibres in our clothing.

OUR FACTORIES

MADE IN ENGLAND | MADE IN EUROPE | MADE IN INDIA

Paul James Knitwear and its sister company, Jack Masters, own and operate two factories. One based in Leicestershire, England, in the heart of the British textile industry and the other in our family's home town of Navsari, India.

OUR GROWTH

Our group's first factory was established in 1987. Due to the efforts and loyalty of our staff and clients, we were able to build a new factory in India specialising in lightweight cotton and wool knitwear, whilst our UK factory focused on delivering premium and luxury 100% wool range.

In 2005 we acquired Paul James Knitwear after identifying a gap in the market for luxury British attire. Paul James' archive and knitting machinery were relocated from Barwell to Ayelstone in Leicestershire, England.

Our desire to foster and build upon existing relationships lead us to source knitwear from Europe. This opportunity arose when one of our technicians relocated back home with his partner after the birth of their first child.

OUR TEAMS

Paul James and Jack Masters employs 50 staff in the UK and 100 in India. Both factories have in-house design and sampling teams. Utilising both state-of-the-art and traditional manufacturing techniques.

STOCK SERVICE AND WHOLESALE

We now offer a stock service from our factory in Leicestershire, England that can cater for the needs of independent groups. With the ability to deliver large orders or bespoke requests within 6-10 weeks.

WASH CARE

With tried and tested techniques and age-old remedies, we're committed to ensuring the longevity of our knitwear and providing our customers with the information needed to care for their more delicate pieces. All our products come with wash care instructions that should be followed for best results. Yarn specific advice can be found below.

Please ensure to always follow the care instruction label on each product carefully. As the natural fibre yarns we use within our knitwear contain naturally occurring bacteria, unnecessary agitation could cause long term damage to the piece. They do not require washing on fast, hot cycles and can be gently steamed in between washes to guarantee freshness.

YARN	WASH CARE
Alpaca	Machine washable at 30°C Do not tumble dry Do not iron Suitable for dry cleaning
Cashmere Merino Cashmere	Hand wash only Wash inside out with similar colours Do not twist or wring Reshape whilst damp Dry flat Do not tumble dry
Cotton Supima Cotton	Machine wash at 30°C Wash inside out with similar colours Do not twist or wring Reshape whilst damp Dry flat
British Wool Lambswool Merino Wool Extra-Fine Merino Wool	Hand wash only at 30°C max Wash inside out with similar colours Do not twist or wring Reshape whilst damp Dry flat Do not tumble dry
