Zapatos planos y elegantes si en tu próxima boda no quieres llevar tacones

CLAUDIA PÉREZ @\_claperez

Cada vez se opta por una mayor comodidad a la hora de vestir. Los <u>tacones</u> ya no son el calzado más popular, lo cual ha beneficiado en gran medida a los <u>zapatos</u> planos. Y esto no solo se ha visto reflejado en los estilismos casuales, sino que para tu próxima <u>boda</u> también puedes cambiar los <u>12 centímetros</u> por cualquiera de estos modelos.

¿Quieres conseguir ese look lade? Opra por unos azquros destalorados como estos de Pedro Miralles (119,000 entros) en tono lila y con el detalle dorado en la puntera, ya que serán el mejor acompañante a un vestido de corre midi.

LOOKS:

Un sencillo jersey, mocasines y vaqueros, el estilismo de la modelo nos da una tección para triunfar con básicos de fondo de armario

El estilo impecable a los 50 lo tiene Carolyn Murphy, para prueba este look

LAURA CADENAS alcadenass

Nos atrevemos a decir que, en muchos casos, con los años la **elegancia** se multiplica. ¿Ejemplos? Isabel Preysler, Sarah Jessica Parker, Jennifer Aniston... y un largo suma y sigue. La sabiduria que implica conocerse y saber lo que a una le sienta bien es un plus. Nuestra inspiración de hoy llega con **Carolyn Murphy** una de esas tops de los 90 que en la franja que va de los 45 a los 50 (este año cumplirá 47 años) ha desterrado estereotipos. Por un lado, siguiendo imparable con su carrera de modelo. Por otro, demostrándonos con sus impecables looks que el estilo no es cuestión de edad.

"Circo que, a partir de cierra adad, el vaqueno como mejor queda es con napane plano, ya scan bailarinas o zapator tipe <u>mescairi</u>, destaca la jefa de estilistas de TELNA, Jelia Martinez. Mocesines de Pedro Miralles, a la venta en El Corte Ingles (too guros) <u>Compralo agui</u> y TELNA Shopper devuelve a tu cuenta parte del importe de la compra. **iHOLA!**
