MADE FOR MODERN MILLENNIALS

ICONIC Collection

Our ICONIC collection is inspired by
great women in history and
those in our everyday lives.

This woman is confident in her own skin
and unapologetically authentic.

She strives for personal growth and self-care,
while having a deep appreciation for
who she is and who she can become.

The ICONIC collection strikes a balance
between comfort, performance and style.

It is designed to accentuate and celebrate
the curves of a woman, and to be
comfortably worn throughout her day.

SERENA

Serena is "The Winner".

She is outgoing, active
and energetic.

She enjoys being in the
spotlight and blooms
in social settings.

Her competitive nature,
combined with her ability
to stay calm and humble,
makes her the powerhouse
of all our jumpsuits.
