MADE FOR MODERN MILLENNIALS

# CLASSIC Collection

Our CLASSIC collection is designed for modern millennials, who live, work, and sweat in activewear.

Our classics are designed to be unique and timeless, with body sculpting fit that feels like second skin. They are suitable for low to high intensity workout.

Whether you are a regular on the yoga mats or have just booked your first lesson, wearing our classics is your commitment to comfort, style and performance.

# OLIVIA

Olivia is "The Original".

Her creative intelligence and independent mind, combined with her outgoing, honest and loving nature, makes her the unspoken leader.

Despite her confidence in winning hearts and minds, she is unassuming and always ready to listen and help.
