

AMELIUS

A woman with dark, wavy hair and light blue eyes is posing against a light blue background. She is wearing a light blue, textured halter-style crop top with a draped, crisscrossing design across the chest and a wide horizontal band at the waist. Her arms are raised high, with her hands clasped together above her head. She is looking upwards and to the right with a slight smile.

RESORT 2022 — PILGRIM

‘One who journeys to a sacred place.’

For Resort 2022, Amelius takes our next leap forward on our path towards the vision we have for a brighter future.

When we considered the necessary steps to evolve our sustainability and diversity goals, we looked to the women in our own workplace: working mothers, sisters and daughters who have now gained an ever-deepening knowledge of our loyal customers—and came together with the goal to empower women of all ilks to dress with timeless sophistication and ease.

For the palette, duckegg blue remains a favourite, while sweet blush tones and earthen stones form the basis for later drops as the weather reaches its peak temperature.

Border techniques draw inspiration from traditional block-printing methods, and our coastal influence is never far in our classic subtle tropical patterns.

Natural fibres continue to hold the fort, and we are excited to introduce the use of Ecovero Viscose for our lighter pieces, with its beautiful silk-touch sheen.

Shot against the lush backdrop of Bundjalung Country (Northern Rivers, NSW) that never fails to bring a sense of spiritual magic, we hope you take all the time to peruse our latest offerings.
