ABOUT US

Born in Benin and based in Côte d'Ivoire, FADI WAX was founded in 2013 with the ambition of highlighting traditional African motifs in trendy colors to attract a generation in search of its cultural identity.

Currently established in 9 African countries and Canada, FADI WAX continues to expand into new territories.

Our brand offers outfits in sizes 36 to 48.

Our know-how is reflected in our clothes.

We care about the well-being and development of the people who work with us, whom we call "our collaborators", because it's thanks to them that we exist.
