Embrace this Autumn Winter

This Autumn Winter we're embracing cosy warm knits, canvas and outerwear alongside considered and sustainable fabrics to showcase our print designs. As with previous collections our mission to create clothes that consider the environment and the people who make it continues, with carefully chosen fabrics and timeless shapes.

Lily & Me have sought colour and print inspiration from the past, with the gentle hues of the iconic 'Bloomsbury set'. Autumnal olive and ginger sit with warming mulberry tones. Our print designs take influence from the craft of this era, motifs drawn from etchings and paintings.

New season shapes are designed to be flattering, with comfort considered and of course, wherever we can we add pockets - a must for us! Our signature feminine feel continues throughout with a utilitarian twist through our increased outerwear offering.

Timeless design to make your every day feel brighter, creative and considered. Make your wardrobe feel like you!

Lily & Me is a lifestyle...

Lily & Me is on a mission to bring creative and considered clothing to your every day. Designed in-house at our Gloucestershire studio, we celebrate creativity and the original. Hand-drawn prints, unique colour palettes and carefully chosen fabrics.

Born from our founder, Amelia's love of travel, colour and creativity; embracing life's adventures, whilst retaining a love for all that is home and family.

We are proud to say that our clothing is made in our own factory in Nepal. Here we can ensure our ranges are conscientiously and responsibly made.

As a family brand we believe in gentle living, we are not about fast fashion. We are big fans of the slow lane.

WOMENSWEAR

AUTUMN | WINTER 2024

Our intention for AW24 has been to create a collection that is kind to the environment and designed to last for years to come, with carefully chosen fabrics and timeless shapes.

Woven and jersey viscose made from sustainable Eco-vero™ Lenzing™, slub jersey and woven cottons organically sourced from India, sustainable Tencel Lyocell™ denim and our cosy brushed polyesters made from recycled yarn.

At Lily & Me, creativity and individuality are key. Our designers have sourced colour and print inspiration from the past, with gentle hues inspired by the iconic 'Bloomsbury set'. Autumnal olive and ginger sit with warming mulberry tones, whilst prints take influence from the craft of this era with motifs drawn from etchings and paintings.

All styles are available in UK sizes 8-20.
Available from August and throughout the season while stocks last.
