

Tutti & Co

The Brand

## The Brand

Tutti & Co is a British contemporary fashion jewellery and accessories brand. With all products designed in our studio on the North East Coast of England, Tutti & Co offers the contemporary woman timeless, high quality pieces with cohesive designs incorporating key shapes, materials and organic textures.

## The Collections

Two seasonal collections each year feature key trends across jewellery, accessories and lifestyle products with a core collection of classic, wearable pieces also available year round. Colour palettes are always muted and subtle with an understated and unmistakable elegance in all of our print, colour and textures.

Classic.

Contemporary.

Timeless.

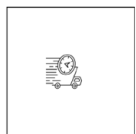

Unmistakably  
Tutti & Co

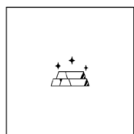

## Redefine Together

At Tutti & Co we take our environmental responsibilities seriously and are committed to complying with, and where possible exceeding current legislation around sustainability. Our environmental journey is conscious and ongoing through constant reflection and evaluation of our processes. We not only seek to meet current requirements but work to continuously improve and lessen our environmental impact on future generations.
