ABOUT US

Welcome to 4 The Bants, where fashion meets fun!

As a family-run SME, we're thrilled to announce our debut at Pure London / JATC at London Olympia from July 14th to 16th, 2024. Our mission is simple yet powerful: to infuse joy and light-heartedness into every quality garment we create.

In a world where luxury fashion often leans towards seriousness, we stand as a beacon of self-expression, championing the power of laughter and playfulness.

Life is too short to not embrace moments of pure joy, and sometimes, it's all about doing it "for the bants".

WHY BUY?

Deep Navy Blue Series 2

All “4 The Bants” Hooded Sweaters are made to exacting standards to exude quality and functionality.

They all have silk lined hoods using our own bespoke manufacturing techniques, sharp printing, fine stitch embroidery, luxury thick polar white pull cords with silver tips and matching silver eyelets.

They maintain a luxury feel whilst at the same time being durable enough for regular use on their own or paired with your other outwear.

Wear our Hooded Sweaters for their quality and durability. Never have a bad hair day again because of our silk lined hoods.

Remember:

*“4TB leaves your hair
FRIZZ FREE”*

Maroon Red Series 2
