Gleneagles

Dark Matters

Spooky, characterful and full of Halloween charm – for customers who love the dark side of the season.

The Feeling

A collection full of character, bringing colour, charm and a little bit of fun.

EASY TO PAIR · BEST SELLERS · GIFT READY · ALL YEAR ROUND · ON TREND

Why Retailers Love This

- Impulse buy appeal
- Distinctive character designs that stand out in store
- Variety across two materials and finishes
- Great addition to displays and cross-category selling
- On trend for the Halloween season

Collection Story

A quirky collection of hand-painted polyresin and stoneware characters, inspired by classic horror icons. Each piece brings a playful, characterful edge to seasonal displays.

Polyresin

Hand-painted polyresin figures bringing playful horror-movie charm to any display – each character captures the fun, spooky spirit of Halloween's most iconic faces.

Stoneware

Characterful stoneware designs with a tactile, hand-finished quality – built to last beyond Halloween, so the charm doesn't have to pack away with the decorations.

Crystal Lamps

Inspired by natural forms and crystal formations, from geode-inspired eggs to glowing crystal rings.

The Feeling

Natural wonder, softly lit – a collection that turns real gemstones into illuminated lighting

LED · BEST SELLERS · GIFT READY · ALL YEAR ROUND · ON TREND

Why Retailers Love This

- Real gemstone materials give genuine premium appeal and shelf standout
- Combines wellbeing and lighting trends in one distinctive product
- Wide variety of shapes, colours and formations
- Strong gifting appeal across all occasions

Collection Story

A striking collection combining natural gemstones with atmospheric illumination. From contemporary Earth Lamps to playful geode-inspired Dinosaur Eggs, each piece celebrates the unique colour, texture and formation of real stone.

Earth Lamps

Illuminated lamps crafted from real gemstones, each piece completely unique in shape, colour and formation. Lit from within, they cast a soft, natural glow – bringing a sense of calm, warmth and quiet luxury to any room

Dinosaur Eggs

Geode-inspired dinosaur egg lamps, split open to reveal real gemstone formations within. Part natural wonder, part playful novelty – lit from within for a soft glow that's as fun as it is striking.
