Max is the most unique plush toy bear...

He plays four guided meditations, accessed by pressing his paws, he even breathes along. Max makes meditation easy and engaging for children.

Max comes in two age ranges; 3 - 6 years old and 6+ and his meditations are adapted in length for their intended audience. Max is also adapted in size with Max Junior being approximately 10 inches tall sitting and Max Senior being approximately 12 inches sitting.

Max comes with three introductory hardcover beautifully illustrated books that introduce children to him and some of the most powerful concepts in psychology.

Max also has a beautiful hardcover book series; two in fact, each containing a story featuring one of a possible 30 emotions, each depicted as colourful characters. For Max's junior audience, his series extends to 8 books, featuring only primary emotions.

Max's senior readers have 30 books in their first series, which both primary and secondary emotions are explained.

LANG SYNE - HALL 5 - STAND 5C107

What our customers say...

"The books have sold extremely well and have made an excellent addition to our offer. Lang Syne developed a stand that complemented and was sympathetic with the new shop fitting and lay-out and their team merchandise on a regular basis."

Vanessa Ward, Business Support Manager, Durham Cathedral.

"Lang Syne's family name products are bright, colourful, well designed and profitable – our customers love them, and we are really pleased with sales. It is also great to work with such a friendly and efficient company."

Gilan Harrison-Hall, Retail Manager, Norwich Cathedral.

"I am selling 2,000 of these books in a year. I had resisted heraldry and surname products before but these informative gift books are well crafted and good value. They also offer a very good profit for the space they occupy."

Chris Needham, General Manager, Canterbury Cathedral Shop.

"This was our great new line. Shop area is limited and we had to think carefully about giving space over to a spinner for the books and magnets. But we were not disappointed. Sales outstripped all our expectations. We are absolutely delighted with the high sell through of these products."

Stuart Richardson, Manager, Alnwick Castle Gift Shop.

£1,000 PROFIT EVERY MONTH*

With over two million copies sold, our thoroughly researched and well written family name books really are the best read in Britain.

Great sales guaranteed from our compact attractive spinner stands which are supplied free of charge. Wall units and bespoke units to match lay-outs and colour schemes also available.

*£1k monthly profit. Based on our customers' average monthly sale of 400 copies per stand.

Buy 400 copies for 1.49 each = £596.
Sell 400 copies at 3.99 each = £1,596.

And boost your profits further with our great range of top selling Family Name Magnets, Coasters, Keyfobs and Pin Badges.
