Crumble & Core

Scented Candles & Greeting Cards 2021

When the Crumble & Core journey began, we always had a dream of creating a range of candles. Our love of fragrance and design is combined in this beautiful collection of Boxed Scented Candles. Each Candle comes boxed with a matching Greeting Card inside, a perfect card and gift in one. We have chosen the following fragrances to perfectly compliment each piece of watercolour artwork:-

Pink Pepper, Orange Blossom & Jasmine

Wild Fig, Cinnamon & Sandalwood

Seaweed, Lemon & Bergamot

Neroli, Rosemary & Lavender

White Chocolate and Honey Milk

Candle Composition

All our candles are produced in the UK and are 100% natural plant wax from an ethical sustainable source. They are all Vegan friendly containing no petrolium or animal wax. They are a mixed blend of pure Soya, Rapeseed & Coconut Oil with cotton wicks.
