KARABINER

Includes a handy karabiner for easy hanging from a backpack or travel bag, or even from a coat hanger at home.

WATER PROOF

Fully waterproof design. Perfect for outdoor settings, including campgrounds, fishing trips, and open-air festivals. Great backup around town in case of unexpected weather.

STORAGE

Each pair folds up and stows away into a convenient carrying case. As simple to keep in a bag or purse as a compact travel umbrella. So easy, you'll want to take these boots everywhere you go!

OUT SOLE

Unique sole design provides reinforcement at the heels for sure footing and a clear sense of the terrain while walking.

So Convenient, You' ll Want to Take Them Everywhere!

Lightweight and Compact Portable Boots

We' ve designed these boots using natural rubber to ensure excellent water-resistance and an easily foldable construction. Our form-fitting design keeps the boots snug all the way from your calves to your toes, for pleasant, comfortable walking. And, most impressive of all, the weight of both boots together is no greater than an average-sized plastic bottled drink. The boots can be easily stowed inside the included carrying case, which features a handy carabiner for easy attachment to backpacks, etc. These boots are perfect for use in all kinds of outdoor settings, including campgrounds, fishing trips, and open-air festivals. They also provide great backup in case of sudden rainstorms or other inclement weather, making these boots a stylish and reliable option for the urban trekker as well.

As Easy to Carry Around as a Single Bottled Drink

Instructions for use

Boots bag

The carabiner-equipped carrying case can be used to store your other pair of shoes while the boots are in use.

Detail

Drawstring

Carrying case comes equipped with a drawstring to keep boots or shoes in and other things out.

Waterproof

Entire body of each boot incorporates natural rubber for a completely waterproof design.

Out sole

Rubber soles provide excellent grip and flexibility. Reinforced heels allow for use in a wide variety of terrain.
