

Amica Felt New for 2021

New for Christmas 2021

The moment you've all been waiting for, the big reveal of our 2021 Christmas decorations!

We hope these new members of the Amica Christmas range make you chuckle and provide some inspiration for your Christmas buying.

As always all our products are Fairtrade and handmade by our extended family in Nepal. Made from 100% sheep's wool our items are not only plastic free but biodegradable making them the obvious choice for anyone wanting to introduce environmentally friendly products.

We hope you love the new members of our Amica range as much as we do and look forward to catching up over the next few weeks.

In the meantime if you need anything from us please don't hesitate to call.

All the best,
The Amica Team
