Story Teller Finger Puppets

This extensive range has been designed to create lots of different characters for storytelling. There are classic characters such as Kings, Queens, Witches and Wizards, along with 8 family characters. Perfect for creating your own stories and adventures. They work well in a puppet theatre or from behind the sofa!

Easy to use and beautifully made, there are 15 to collect with more on the way. **Average height - 20cm**

Enchanted Dragons

Soft, cuddly and super friendly these large dragon puppets work very well and are perfect for all you budding ventriloquists. These Dragons are nonthreatening and very lovable. Your hand goes in the back of the neck to allow clear and quick mouth movement. The neck length allows wonderful head turns, available in both red and green, with sparkly detail for that extra finish.

Average height - 45cm

Time for Stories Puppets

Another group of puppets originally developed to accompany story books which also make a great addition to any puppet collection. Who doesn't like a large troll to tell stories such as Billy Goats Gruff? How about a large spider to sing Incy Wincy Spider with? Finally, an Elephant with a posable trunk – what will we think of next?

Elephant - with Moveable Trunk
