SOLEMATE®

YOUR HOUSEHOLD PROTECTED

Solemate brings the latest trends and traditional textures for the entire home, from attractive designs to classic plain mats there's a style to suit everyone.

Design and practicality combined ensures your guests are welcomed and muddy footprints stay at the entrance, while the soft fluffy fibres in each collection works magic for your feet and your floor. The thick, deep pile absorbs moisture keeping your floor protected, meaning a safe and clean place for you, little feet and paws to walk. The entire range can be used at home in the hallway, kitchen, entrance and patio. Or shops and offices, you name it, there is a place for all.

Eco-Friendly Mat

Plain and simple, yet so luxurious!

Each mat is made from recycled plastic bottles to create a soft pile for the range, helping clean up the planet as well as your home.

- Soft pile made from 14 recycled plastic bottles, the mat is 100% recyclable
- Luxurious, soft and kind to bare feet and paws
- Deep sheen gives the plain mat a rich colour
- Comfort and performance in one
- Super absorbent; holds up to approx. 3.5 litres of water
- Floors remain clean and protected
- Great for high traffic areas such as entrances, patios or offices
- Simply pop it in the wash at 30°C (see online for further care instructions)
- Eco-flex backing helps prevent movement
- Composition: pile 100% polyester with eco-flex backing
- Size: 60x100cm approx.
- Weight: 1.2kg approx.

Eco-Friendly Mat

- Truffle

Most plastic bottles are thrown away and not recycled, meaning they're harmful to the planet. Our Eco-Friendly range is made from 14 recycled plastic bottles which creates a soft pile and helps clean up the environment.

We have tried to replicate the colours accurately but colours may vary slightly from the pictures shown due to lighting and pile direction.

Product Code: 01-352

Pack Quantity: 6

Retail Price: £39.99/€45.99

Eco-Friendly Mat

- Slate

Not just a plain mat. The deep sheen gives a two tone feel to create a rich and luxurious colour across the range. The colour palette has been selected to complement most interior styles anywhere around the home.

We have tried to replicate the colours accurately but colours may vary slightly from the pictures shown due to lighting and pile direction.

Product Code: 01-350

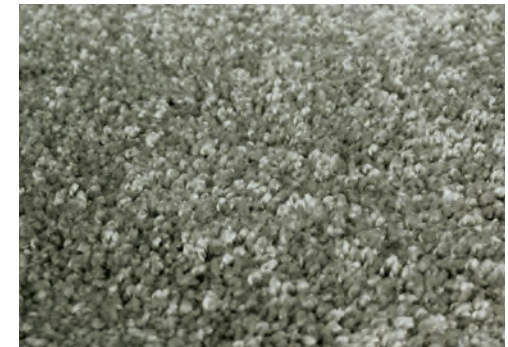

Pack Quantity: 6

Retail Price: £39.99/€45.99

Eco-Friendly Mat - Graphite

As well as been environmentally friendly the mat is super absorbent, it can hold up to 3.5l of water meaning it will mop up any excess water from shoes/boots at the door. Plus, the pile is soft underfoot so gentle on bare feet when used in the bathroom, keeping your floors clean and dry no matter where in the house.

We have tried to replicate the colours accurately but colours may vary slightly from the pictures shown due to lighting and pile direction.

Product Code: 01-351

Pack Quantity: 6

Retail Price: £39.99/€45.99

Retail Display

We have developed a new fixture to display the mats and create an eye-catching feature in store. The stands have 4 arms, each arm holds 12, a total of 48 mats which equates to £1920/€2208 retail value, allowing you to maximise your profit and your floor space.

Do you have a love for colour and eye-catching designs?
