# Doormats & Free-Standing Display Units (FSDUs)

Choose from a variety of doormats such as coirs, tuftscrapes, rubber or indoor machine washable and indoor barrier mats. Here is a selection of our top selling lines to give you a flavour of what we have to offer. We select our designs to ensure they are in line with the latest trends, yet remain commercial for the wider audience. Some of our products are eco-friendly and are made from recycled materials such as the Knit mat. The coir mats are 100% biodegradable and made from natural coir with a latex backing, we have ensured our packaging is recyclable too.

We have developed a number of FSDUs to offer the best way to showcase our mats, runners and car mats in your store. They range from basic promotional shippers to bespoke displays which cater for products with and without header cards.

# Our Range

Our range covers everything your customer needs for their home. With a huge selection of basketware and versatile storage solutions including textile, plastic and willow to name a few and gift hampers for every occasion. Laundry products include hampers, baskets and bags through to indoor airers, pegs and more to complement the range.

Our cleaning range means there is no place left untouched in the home as we have a product for all cleaning requirements. From brooms, mops, dusters and more, here's a selection of some our top sellers.

Sort out your laundry and storage in style

# Our Range - Seasonal

We have a wide range of indoor and outdoor airers along with a number of accessories to complement the range, including our latest addition the portable airer, great for the home or caravans etc.

We have a fantastic range of fireside furnishings designed to enhance the home by matching function and form with style.

Our log baskets are without doubt the best way to store all wood, logs and kindling.
