Pearl Wilkins

A handwritten signature in black ink that reads "Peggy Wilkins". The signature is written in a cursive, flowing style. The background of the entire page is a photograph of a dining table with a white tablecloth, a glass, a fork, and some greenery.

Peggy Wilkins Textile Fashions Ltd. is a friendly, family run company. We have been designing and selling quality home textile products for the past 48 years.

We are best known for our classic and contemporary table linen and develop a new all year around and Christmas collection each year. Our table linen range includes damasks, embroideries, prints, weaves, wipe cleans, plain dyes and genuine Nottingham lace.

We also sell napkin rings, placemats, bread baskets and gift bags which complement our table textiles.

Our home textile collection includes cushions, throws, door stops, memo boards, draught excluders, double oven gloves, gauntlets, tea towels, aprons, seat pads, tea cosies, peg bags, arm caps and chair backs.

Original designs are created in our studio which is situated at our head office in Nottingham. We can help customers with design and range selection, merchandising plans and display ideas.

If you would like to see our products, please contact our sales department on Tel: 0115 989 6200 or email tracey.carter@wilkins.co.uk to arrange an appointment with one of our sales representatives. We can offer meetings either in person or virtually from our head office.

Thank you and we look forward to hearing from you,

The Peggy Wilkins Team
