Children's Luggage Range

Spring 2021

Our boppi Tiny Trekker range is designed for the little adventurer. A complete children's luggage range including; luggage cases, backpacks and keychain pouches. Made with an ECO friendly EVA casing, ensuring a lightweight and waterproof travelling companion.

**Luggage Cases:**

All Tiny Trekker luggage cases are lightweight, sturdy and are suitable carry-on or holdall luggage for children between 3 - 8 years. Fitted with a 2-height extendable walk along handle, a carry handle and polyurethane wheels for easy transport through airports. The cases have an overall capacity of 17 litres and are fitted with an elasticated packing strap and a double zipped inner compartment. All cases are within the size requirements for cabin bags.

**Backpacks:**

All backpacks are fitted with a padded rear section and adjustable padded arm straps with a center locking clip. 2 inner storage compartments offer ample space for children's books, teddies and small toys. An inner name card and stitched holder allows for personalisation, while a safety clip and 1 metre walking strap allow for use as a walking harness for younger children.

**Keychain Pouch:**

The pouches have a 58cm spring retractable keychain and 2 inner storage compartments. Perfect for carrying interesting bits and bobs that all children like collect on their travels.
