## A Duckensian Christmas

For Charles Dickens, Christmas stood for all that is good in human nature: kindness and hospitality, merriment and goodwill. A Christmas Carol was his artful way of inspiring us to deck the halls, extend glad tidings and, whatever our differences, to come together for music and games, feasting and laughter.

This year at DCUK, we're celebrating a Duckensian Christmas in honour of the great writer. You'll find evergreen garlands, lavish gold trimmings and, most of all, a spirit of goodwill to all friends and friends-to-be.

As always, we promise you the exceptional quality of gifts made by hand with love, symbolised by the DCUK pin. Every duck and feathered friend is fledged from earth-kind bamboo, with a light dusting of imagination and charm.

## Duckensian Christmas Ducklings

Trimmed with gold and sprigs of holly, they have every reason to be jolly. With charm and style and wit to boot, the essence of Yuletide lives on in these handsome Duckensian Ducklings.

Stepping out for the first time this Christmas season, our Duckensian Christmas Ducklings are set to be the stars of the show. Sorry Santa.
